Introduction

In Jennett's Park CE Primary School, RE plays an important role in expressing the Christian vision of the school. RE reflects the ethos and values that are held and promotes understanding of people of all faiths and none. RE has the same high status as any other subject and contributes to the overall development of our pupils from all backgrounds and traditions.

We aim here at Jennett's Park are to ensure we live out our vision:

Empowering our children to flourish and achieve under God's love. This comes from the passage in the bible where Jesus says: I have come to let you live life in all its fullness (John 10:10)

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

All children and young people have a right to a primary education, which should be free. Our aim is that learning at Jennett's Park CE Primary School should empower children. It should celebrate success and progress for all, and be part of our role as heart of the local community.

These are our Promises to keep to our children to be able to serve the common good with our work as part of the Church of England. By following our Promises we know our curriculum suits local needs

At Jennett's Park we are:	Our Promises:
Educating for Wisdom, Knowledge and Skills	To help grow resourceful, resilient and reflective children who are equipped with the skills, knowledge and tenacity empower themselves, their learning throughout their lives.
Educating for Hope and Aspiration	To inspire and enrich lives beyond current opportunities and experiences in order to open minds to the potential their future holds
Educating for Community and Living Well Together	To be a multi-cultural, inclusive community of individuals loved by God who feel valued and involved where we create qualities of character to enable people to flourish.
Educating for Dignity and Respect	That children might know how much that they are loved and valued by so that they might show dignity and respect for themselves and others by carefully and safely thinking through their actions.

The Legal Position

Every maintained school in England must provide a basic curriculum (RE, sex and relationship education and the National Curriculum). This includes provision for RE for all registered pupils at the school, except for those withdrawn by their parents (see paragraph below). The school, in accordance with its Trust Deed, provides religious education for all pupils registered at the school. Following advice from the Oxford Diocesan Board of Education, the governors decided that religious education in our school is based upon the Locally Agreed Syllabus while also reflecting the requirements of the Statement of Entitlement for Religious Education published by the Education Office of the Church of England in February 2019. We use Discovery RE and Understanding Christianity as our key methods of teaching RE. The statutory section 48 (SIAMS) inspection will evaluate RE and the way that it expresses the Christian vision of the school and look for evidence of progress and attainment. Religious education has the same status and importance as any other subject and, as such, the same high standards are applied to this as to other subjects.

Purpose and Aims of RE

The purpose of RE is to teach children about the religious and non-religious world-views that they will encounter in modern Britain and enable them to engage in meaningful and considered dialogue with those of all faiths and none. This is religious literacy.

Therefore, the aims of RE in our school are:

- To know about and understand Christianity as a diverse global living faith through the exploration of core beliefs using an approach that critically engages with biblical text.
- To gain knowledge and understanding of a range of religions and worldviews appreciating diversity, continuity and change within the religions and worldviews being studied.
- To engage with challenging questions of meaning and purpose raised by human existence and experience.
- To recognise the concept of religion and its continuing influence on Britain's cultural heritage and in the lives of individuals and societies in different times, cultures and places.
- To explore their own religious, spiritual and philosophical ways living, believing and thinking.

Curriculum and Time Allocation

The RE curriculum at Jennett's Park CE Primary School, has been approved by the governors. Christianity is taught in every year group, with key concepts revisited on a spiral curriculum. **At least 50% of the time is devoted to Christianity.** Other religions are covered according to the syllabus; e.g. Judaism & Islam in KS1, Hinduism, Sikhism & Islam in KS2.

The total time for RE is between 5% and 10%, and it is taught in dedicated lessons/blocks/cross-curricular settings as appropriate. **The time dedicated to RE is separate from the time given to Collective Worship.** In KS1 this will amount to approximately 36 hours per year; in KS2 this rises to 45 hours per year.

Teaching, Learning and Assessment

RE is taught using an enquiry-based approach, that is challenging and robust. Learning will be organised to encourage the development of attitudes such as self-awareness, respect for all, open-mindedness, appreciation and wonder, as well as providing opportunities to engage appropriately with Fundamental British Values. All faiths are treated respectfully, and opportunities will be made to engage in age-appropriate, meaningful discussion. Where possible pupils will encounter believers and visit places of worship. An enquiry-based approach is focused around Big Questions and an investigative approach, as recommended by the Diocesan Scheme of Work, Understanding Christianity and the Discovery RE Scheme of Work.

A variety of resources, styles, and techniques will be used as appropriate to enable all children to make progress in RE regardless of their starting points, ability or background. Please see our school's SEND and Equal Opportunities policies and the Valuing all God's Children document for more details.

Assessment procedures will be robust and in line with the assessment procedures and feedback policy of the school, meeting the requirements of the syllabus or scheme that has been adopted. Students will engage in a variety of activities which will also enable teachers to assess what they have learnt. Records kept will include information about pupils' experiences and judgements about their attainment and progress, as well as being used to inform planning.

Monitoring and Evaluation

The RE subject leader and SLT will monitor teaching and learning in RE in accordance with school policy. The RE subject leader will observe teaching, conduct book and planning reviews and pupil interviews when appropriate to assess the quality of teaching and learning. The Headteacher and governors will ensure that adequate monitoring takes place and that the impact of such activity is assessed.

Resources

The RE subject leader will ensure that RE resources are kept up-to-date and that staff are informed when new resources are purchased or made available electronically. Resources will include source materials (e.g. Bibles, visitors, artefacts) where appropriate and be treated with respect by all staff.

The Right of Withdrawal

Pupils may be withdrawn from RE or part of RE by a parent or guardian in accordance with Schedule 19 to the School Standards and Framework Act 1998; teachers can exercise their right to withdraw from teaching the subject. However, we hope that all parents and teachers will feel comfortable with the type of religious education being taught at this school. Parents who wish to withdraw their children must provide written notification to this effect and provide suitable activities for their children. The school will keep pupils safe but will not provide any work or reading material for pupils who have been withdrawn.
