

Keeping safe outside of school

- Don't advertise money or phones - put it in your pocket
- Be street smart- walk sensibly
- We should follow Rainbow and Owl and the Code of Conduct inside and outside school
- Stay away from people who look unsafe
- Stay close to your parents or a stranger might take you

E-Safety

- Follow the SMART rules
- Don't open messages that say you have won something in case it's SPAM or a virus
- Have a very tricky password on your computer
- When going on a website always look for the green padlock. If you go on a bank site with a green padlock it means it's secure
- Screenshot if someone says something hurtful

Keeping safe on the playground

Help people who fall over
Buddies are in high vis jackets
Make people smile each day
Divide teams fairly
Follow the football rules
If you get cross take 3 deep breaths
and walk away calmly.

Jennett's Park CE Primary Children's Charter for Keeping Safe

Keeping safe inside school

- We have the code of conduct . Everyone follows that rule to keep safe
- Be a buddy not a bully
- At home time when you say 'I can see my parent', make sure the teacher sees I am going
- Class rules should be shared and known to all
- Walk inside

PANTS

- Don't show other people your body
- Keep the things you are not supposed to show people to yourself
- Tell a friend or a trusted adult if someone teases you about your body

Candle time, Circle times and PSHEC Lessons

- We should have weekly PHSEC lessons and circle time and candle time too.
- We have a 'Telling Box' and worry monster in in every classroom so if you need to tell an adult you can do it without worrying
- Adults are here to listen –if you *report* a worry they will hear you.
