At National Online Safety, we believe in empowering parents, carers and trusted adults with the information to hold an informed conversation about online safety with their children, should they feel it is needed. This guide focuses on one of many issues which we believe trusted adults should be aware of. Please visit www.nationalonlinesafety.com for further guides, hints and tips for adults.

What Parents & Carers Need to Know about INFLUENCERS

In today's digital age, social media influencers play an increasingly significant role in shaping the opinions, interests and behaviours of our children. While many of these individuals can have a positive effect, influencer culture can also present certain risks – such as encouraging consumerism, affecting self-esteem and blurring trustworthiness. To help ensure a safe online environment for young people, it's vital to maintain open communication, set sensible boundaries, promote a healthy self-image and teach digital media literacy. Our guide delves deeper into all of these.

WHAT ARE THE RISKS?

HEIGHTENED CONSUMERISM

A major way that influencers make money is through brand partnerships and sponsored content. As a result, children who follow them may be exposed to a steady stream of advertising: this can lead to materialistic attitudes, unrealistic expectations and an increased desire to have the latest products. Many influencers have built huge brand empires around their large, impressionable following.

THE SOFT SELL

Some influencers aren't always transparent about the motivations behind their posts, blurring the lines between genuine recommendations and paid-for promotions – and young people sometimes find it difficult to distinguish authentic content from advertising. Many major social platforms have taken steps to make sponsored content and ads easier to identify, but it remains an area of concern.

PRIVACY CONCERNS

Inspired by their favourite influencers, children may start sharing more of their own lives online – which could reveal personal information or details about their daily routine. This openness can put them at risk of cyberbullying or even predatory behaviour. This is exacerbated by live streaming, which gives young people no time to consider the potential consequences of saying too much.

UNDERMINING SELF-ESTEEM

Many influencers share images and videos of themselves and their activities, which are often painstakingly curated and edited to present an idealised version of their life. Children who follow these influencers may develop distorted expectations about body image and the concept of beauty, which can potentially lead to negative self-esteem and even mental health issues.

Advice for Parents & Carers

KEEP TALKING

Chat to your child about the content they consume on social media and the influencers that they like. Encourage them to think critically about what they see and hear online, and listen to any concerns they might have. Maintaining this line of open, honest communication can help your child to make informed decisions about which individuals they follow and what content they engage with.

SET SOME BOUNDARIES

Agree age-appropriate boundaries for your child's social media use, including time limits and privacy settings (the two major operating systems on mobile devices, Android and iOS, have these controls baked in). Try to keep an eye on your child's online activity and discuss it regularly with them – including reminding them of the potential risks that can arise from following influencers.

Meet Our Expert

A former director of digital learning and currently a deputy headmaster and DSL, Brendan O'Keefe's experience and expertise gives him a clear insight into how modern digital systems impact the experience of children, staff and parents – and which strategies help to ensure that the online world remains a useful educational tool rather than a minefield of risks.

SUPPORT A HEALTHY SELF-IMAGE

Reinforce your child's awareness that real life isn't usually as picture perfect as it may appear on social media – and how some content (particularly that of influencers) is often curated, staged or edited to look more glamorous. If possible, highlight examples of other influencers who share authentic, relatable material which acknowledges their imperfections and struggles as well.

PROMOTE MEDIA LITERACY

Talk to your child about the concepts of sponsored content, advertising and potential influencer bias. Teach them to critically evaluate the information they're presented with online and to consider the possible reasons behind content creation. This can help young people develop the skills to make healthier decisions about the influencers they choose to follow and the content they consume.

Pause Day

19th May 2023

The purpose of a 'Pause Day' is to give children an opportunity to stop and reflect and engage in higher level thinking during an 'off-timetable' Religious Education day.

Our theme this term was 'Acts of Kindness' which we linked specifically to the environment as an inspiration from St Francis of Assisi.

We took part in array of activities to benefit and support our surrounding environment. Some activities included:

- Creating recyclable bird feeders
- Natural art
- Animal yoga
- A bug hunt
- Reading in the outdoor area

We thought about what being kind means, how we can show it and how it links to our Rainbow promise. We also thought about how we carry on with these acts of kindness in the future.

Did you know we have a church in our school? It's the Jennett's Park Church St Francis and St Clare. As part of our Pause Day, the children engaged in a variety of activities exploring St. Francis and St. Clare to enable the children to become aware and understand the significance of the Saints at Jennett's Park.

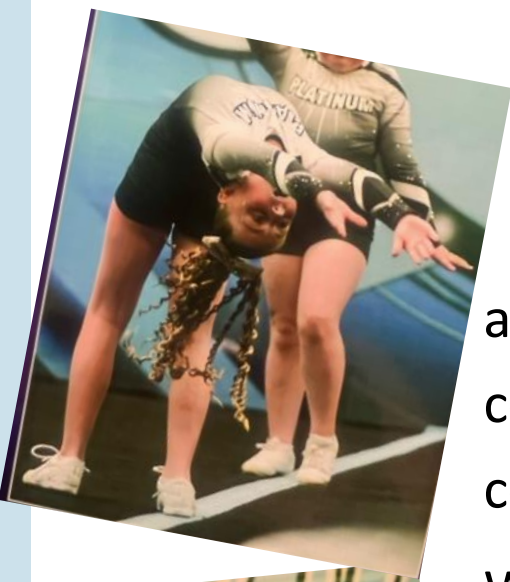

Take a look at some of our wonderful work!

Allstar Cheerleaders

Superstars Jessica, Taya and Maya in Yr 5 have competed in cheer competitions recently.

We are so impressed at their hard work! They're competing again this Sunday at BCA Nationals in Telford. **Good luck girls!**

Bracknell FC Supernovas

Isobel in Yr 3 played against in the Berkshire County girls under 8s Cup Final. The final, marked the end of a fantastic season where her team, the Bracknell FC Supernovas have remained undefeated. Isobel played some excellent football in what proved to be a tough match resulting in a 2-1 loss. The girls demonstrated excellent sportsmanship and spent the remainder of the weekend celebrating what has been an excellent first season for their team.

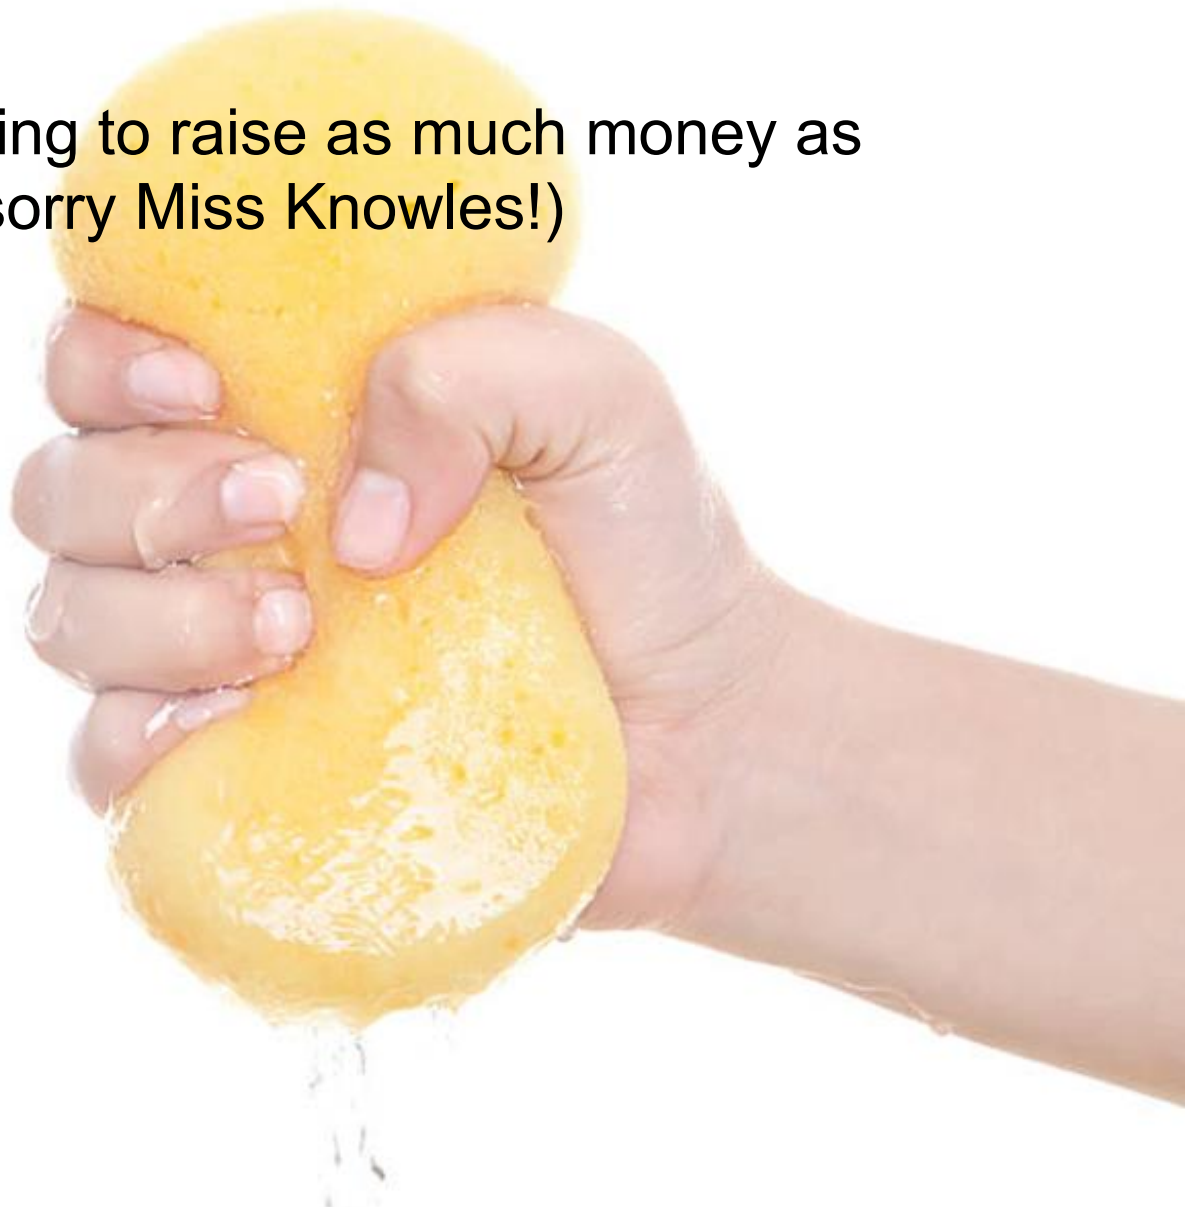

Throw a wet sponge at Miss Knowles!

On Friday 9th June Miss Knowles will be in the MUGA and children have the opportunity to throw wet sponges at her during your year group time slot.

£1 a sponge.

We are trying to raise as much money as possible (sorry Miss Knowles!)

Bracknell SEND Parent Survey

The survey's objective is to monitor how Bracknell Forest's SEND services are getting on since Autumn 2022 when the BPCF last surveyed parents/carers.

No information collected will identify the child. BPCF intend to use the information provided to demonstrate the impact of SEND Services on the children of Bracknell Forest.

If parents and carers have more than one child/ young person with SEND, please complete one survey for each because experiences and provision can be different.

Dear Parents and Carers,

Over the next few weeks I will be at your child's school offering FREE trial singing lessons. Please reply by email to book a space.

Why singing?	How do lessons work?
<ul style="list-style-type: none"> Singing is fun and makes you feel happy! Research shows that children who sing and play musical instruments perform better academically. Singing can help develop confidence, concentration, memory, and teamwork skills. There are exciting opportunities to perform in a wide variety of venues. 	<ul style="list-style-type: none"> Lessons can either be individual (20mins or 30mins) or in small groups of 2 to 5 pupils. Group lessons cost from just £10 per lesson; full details are on the website. Children are taught on a rotating timetable so there is minimal disruption to their classroom learning.
	<p>Are there any other benefits?</p> <p>*If you are having Voice lessons then you will be entitled to a 20% discount on joining Berkshire Maestros County choirs: Berkshire Children's Choir Yr 4-6, Berkshire Young Voices Yr 7-9 (auditioned grade 3+), Berkshire Youth Choir Yr 10-13 (auditioned grade 5+).</p>
What happens next?	
<p>If your child would like to take up this opportunity to have a free taster singing lesson then please email me the following information:</p> <ul style="list-style-type: none"> Child's name School Year Group Parent's name Parent's email address <p>This does not commit you to anything but will help us coordinate your Free Taster Singing Lesson.</p>

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do

at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day
