Dear Parents and Carers,

Questionnaire to Parents and
Carers of Jennett's Park CE Primary
2023

Our **Yearly census** of your views
available here: [https://
forms.office.com/e/zQ1MJ3Zke9](https://forms.office.com/e/zQ1MJ3Zke9).

Open until 5/7/23. Last year, we
received the most responses from the current
Y3 classes (well done) - have your say, we listen
and read each view.

Sports day. A huge date in our yearly calendar
is our sports day. Our first attempt Y1– Y6 is
Thursday 29th June. These are morning events and you are invited to
stay and join your child whilst they have their lunch afterwards. See pg 6.

Looking forward to September, I am now happy to announce which
teachers are taking which year groups for September. [Please find this on
our website](#). Any class swaps or shuffles are announced in your child's
reports which will come home during the last week of June. Please see
our [transition policy](#). Our yearly Open Evening is on 5th July from 5-7pm
all welcome.

Please support the school with sending your children in your
international colours for International week on Thursday (not Y6 as they
are on a Triathlon) and on Friday please come in your own clothes in ex-
change for a small donation for our Summer Fair if possible (not Y2 as
on a school trip). Life in all its fullness indeed.

It is **Pride** month so I celebrate and share again my message from
January on page 3.

Enjoy your weekend and see you on the gate,
Liz Savage, Headteacher

Pride month (repeat of January information for interested parties)

Many often want to have details to help understand our approach. To help answer the questions about any of our content I would always draw your attention to our website and policies. In this case it is our PSHE curriculum and the Equality and RSE policies.

As a Church of England school, Jennett's Park Primary adheres to the 'Valuing All God's Children' (2019) document issued by The Church of England Education Office. This states that part of our responsibility as a C of E school is 'to ensure that no child or young person can leave [...] without a sense of their own belovedness and without being offered honour as a person of divine indwelling.'

We believe that a large part of educating children is to prepare them for life in modern Britain. Without educating children to 'understand the rights of all people to live freely within their sexual orientation or gender identity without discrimination', we would be 'failing in [our] duty to prepare [our] pupils to live in modern Britain.' This document underpins the teaching of RSE and PSHE in Jennett's Park, but also influences our core Rainbow Values which impact on all aspects of teaching and learning. We want within our Rainbow Values to teach children how to get on with one and other as we are all woven together as a community like strands in a fine cloth.

We every year explore as part of our Personal, Social, Health Education work three different topics. Relationships, Health and Wellbeing & Living in the Wider World. Relationship and Sex Education forms part of this work and is a statutory requirement in England.

Within the teaching of the RSE curriculum, it is important that the needs of all pupils are met, and that all children understand the terms of equality and respect (Equality Act, 2010). Homosexuality and transgender, including bullying related to these areas, are discussed at a level appropriate to the age of the children. From Nursery, children are taught to respect the life choices of others within the understanding of the school's Rainbow Values. For our youngest children, this incorporates different types of families, and physical differences between boys and girls. As they progress through the school, children will be taught to respect others' life choices in terms of sexuality, and what this means (see Appendix 3 of RSE policy for the specific LGBT related objectives covered in each year group). Teachers use their own discretion in these situations when responding to children's questioning. We discuss different famous LGBTQ figures and celebrate their stories.

Nursery - To understand that there are different types of families - To explore gender stereotypes

Reception - To understand that there are different types of families - To explore gender stereotypes

Year 1 - To explore different types of families

Year 2 - To explore gender stereotypes

Year 3 - To explore different types of families and who to go to for help and support - To explore gender stereotypes

Year 4 - To understand how gender stereotypes can label people - To explain how to break gender stereotypes - To understand aspects of discrimination - To understand that every individual, no matter what their gender, should be treated with equal respect and opportunities

Year 5 - To explore gender stereotypes - To explain why it is important to challenge gender stereotypes

Year 6 - To understand and explain similarities and differences between different people - To understand and explain how we might disagree and respect different people - To understand the possible repercussions of feeling excluded - To challenge gender stereotype

Year 6 Athletics

On 8th June 2023, 12 year six athletes: Alessia, Zach M, Angela, Zack C, Sadie B, Teddy, Ava, Nathan B, Nathan M, Emily L, Josh D and Emily G, competed in the summer 2023 outdoor athletics competition.

We would like to congratulate the team for placing 7th out of 25 competing schools and for winning the relay final, altogether finishing with a total of 558 points.

Racing in the 80m sprint, was Alessia placing 3rd in her heat and Angela also placing 3rd. Josh D ended his heat in first place and Zach M finishing 3rd place. Now for the 600m pace, Ava placed 1st in her heat along with Emily L ending 4th. For the boys 600m, Teddy was 2nd in his heat with not long after Nathan B placing 5th. The 10 individuals that were in the relay accomplished 2nd in their heat.

The field events involved were: Long jump - Ava, Angela, Teddy and Nathan M, Shot put - Emily G and L, Zack C and Nathan B, Cricket ball throw- Alessia, Sadie, Josh D and Zach M.

The running events that took place were: 80m sprint, 600m pace and the relays.

Fortunately, we got into the relay final and WON! As well as this, Josh D got into the fastest boys final and came 3rd.

The team would like to thank our coaches and peers for supporting and encouraging us through this memorable one in a lifetime experience.

Written by Alessia and Sadie B.

Y1-6 Sports Day 2023

Thursday 29th June 10am-12:15pm (weather dependent)

Parents and extended family are most welcome to join and support. Please do bring chairs or shade if you require and arrive at 10am. Children will need full PE kit with hat, sun cream and water bottle.

10:15am - sports begin

12:15pm - we aim to finish by 12:15pm and supporters are invited to stay for a picnic outdoors with the children. We will remain a nut-free school.

1:00pm—children return to classrooms

School Lunches

School lunches can be ordered on the day and will be fish fingers & chips (children with allergies/dietary will be catered for accordingly). School dinners will also be eaten outdoors on the field and children can join their family or classmates.

Reserve dates in case of poor weather: 6th July, 13th July.

YN-R Sports Day 2023

Nursery and Reception Sports Day will be on Weds 28th June—weather dependent!

Parents and supporters welcome to arrive at 9:15am and we expect children to have finished by 10:30am.

Please do ensure your child has sun cream/sunhat and water!

Reserve dates in case of poor weather: 5th July, 12th July.

Social Media Influencers

What is an Influencer?

An influencer is somebody prominent on a social media platform such as YouTube and Instagram, who have a high number of followers. Influencers share their opinions/ideas and may be paid to advertise/promote products through their account. Whilst there are some great influencers, there are some that choose to share their own opinions, which could be misogynistic or racist for example. These opinions can be expressed or interpreted as fact. It is important to talk to your child about the spread of misinformation online and how we should fact check and critically analyse what we see and hear online.

What we see on social media platforms is influenced by algorithms, which predict what type of content we are most likely to interact with. Whilst

Dear All

This week we celebrate the second Sunday after Trinity,

We continue with our cafe style church. Please arrive at 11:00 if you would like refreshments and the service starts at 11:30 so please be seated and ready then so as not to disrupt or delay the service. If you can help set up then please arrive at 10:30.

Reverend Carol is with us so there will be Communion.

Our gospel reading is from Saint Matthew's Gospel and is attached if you would like to read. School signing for entry to Ranelagh is at the end of the service for those who have attended.

See you on Sunday

Nick

THE GOSPEL St Matthew 9:35-10:8

Hear the Gospel of our Lord Jesus Christ according to St. Luke.

Glory to you, O Lord. 35 Jesus travelled through all the towns and villages. He taught in their synagogues and told people the Good News about the kingdom. And he healed all kinds of diseases and sicknesses. 36 He saw the crowds of people and felt sorry for them because they were worried and helpless. They were like sheep without a shepherd. 37 Jesus said to his followers, "There are many people to harvest, but there are only a few workers to help harvest them. 38 God owns the harvest. Pray to him that he will send more workers to help gather his harvest."

1 Jesus called his 12 followers together. He gave them power to drive out evil spirits and to heal every kind of disease and sickness. 2 These are the names of the 12 apostles: Simon (also called Peter) and his brother Andrew; James son of Zebedee, and his brother John; 3 Philip and Bartholomew; Thomas and Matthew, the tax collector; James son of Alphaeus, and Thaddaeus; 4 Simon the Zealot and Judas Iscariot. Judas is the one who turned against Jesus.

5 These 12 men he sent out with the following order: "Don't go to the non-Jewish people. And don't go into any town where the Samaritans live. 6 But go to the people of Israel. They are like sheep that are lost. 7 When you go, preach this: 'The kingdom of heaven is coming soon.' 8 Heal the sick. Give dead people life again. Heal those who have harmful skin diseases. Force demons to leave people. I give you these powers freely. So help other people freely.

This is the gospel of the Lord. Praise to you, O Christ **Praise to you, O Christ**

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do

at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

These are our Values we try to live each day
