

# WE'VE HAD A GREAT YEAR @TEAM JPCE 2023

We've had a great year here at Jennett's Park CE Primary. Thank you for being part of our journey. Below are some great highlights we'd like to share:

**1) We have had great results in EYFS, MTC, PHONICS, End of KS1 and End of KS2. At or above National in most aspects. We are so proud of our children, staff and community!**

## **2) WE HAVE GREAT ATTENDANCE**

You know being in school makes a difference every day. Our children are in school Nursery to Year 6 96% of the time. Bravo!

## **3) WE GAINED OUR SEND INCLUSION AWARD**

" JPCE places inclusion at the heart of everything the school does, and as such SEND is part of the school development plan and is a strategic priority. The number of children on the SEN register is higher than national average, despite this, children's strengths and challenges are well understood, and funding has been utilised effectively so that children are well supported both by adults in the classroom, alongside the use of assistive technology. "

## **WE DID WELL IN SPORTS AGAIN...**

The Boys first placed first and the Girls third in their leagues. Gold and Bronze. The Girls cricket won Gold, the Boys 'B' team Gold and the Boys 'A' team Silver. A wonderful achievement!

## **WE CELEBRATED LIFE IN ALL ITS FULLNESS**

Most of all we celebrate life in all its fullness. There were over 100 events across the year paid and unpaid and allowing each child to flourish.

**LET OTHERS KNOW PLEASE**

If you can do one thing- please spread the word of what we do here. You are are best and our most fearless cheerleaders. Thank you for being a brilliant community. You make us smile every day.
