John 10:10 Live life in all its fullness

Dear Parents and Carers,

[Our latest safeguarding policy. Please read.](#)

Life in all its fullness- We plan a significant amount of both whole school and year group experiences that align with the curriculum. Trip donations are voluntary. Our budgets are incredibly tight and we must break even on trips to avoid losing staff. Our cut off limit for donations is set at 95% before we cancel the planned Year group activity. We will write to you next week to let you know of the planned trips for the year on top of that already released. We last year reverted to trip by trip payment and before that had a one off payment approach with a payment plan.

HAVE YOUR SAY: Please have your say by telling us here your view– only 3 questions! <https://forms.office.com/e/tngk03qztC>

This is our final Felt design St Clare. More details next week.

Meet the teacher sessions and links to your child's Curriculum Newsletters can be found on page 3.

Reminder—if your child has SEND and is on the register there will be a meet the teacher session in addition to the parents meeting very soon to share this years learning plans. We introduced this last year as they are best placed to support and direct need. They are your first port of call and not directly to Mrs Robinson or Ms Szadowski who do not have the capacity to respond to every issue. We will confirm if your child is on the register next week!

See you on gate Liz Savage, Headteacher

Back to school photos

With the excitement of a new school year and your child reaching a new milestone, many of us share photos of our child online without thinking about the associated risks. If you post online, then try following these basic rules:

- Don't post any photos of your child that show their school logo/name or recognisable places by where they live that can make it easy for people to find out their location.

JENNETT'S PARK CE PRIMARY
SCHOOL PTA

1

SUPPORT THE SCHOOL

The PTA is vital to the success of the school. Funds raised enrich your child's learning and make every student's experience better. Be part of the group that pays for the playground your child loves or funds the library that's their favourite place to be.

2

IT'S TOTALLY FLEXIBLE

Whether you're a full-time parent or working the nine to five, anyone can get involved. It's less commitment than you think, and you don't always have to attend meetings. Small jobs such as designing a poster, distributing letters or running a stall keep everything running smoothly.

3

MAKE LASTING FRIENDSHIPS

Meet and chat to a wider circle of families from different classes and year groups. Get to know other parents, and bond over exciting events, socials and get-togethers. Find a place to belong and spend time with others who share your values.

4

BE BETTER CONNECTED

Create closer links with the head, teachers and staff. If you're new to the school, the PTA is an excellent way to find out how things work and become part of the community. If not, you'll still gain greater insight by seeing how things work from both sides.

PTA⁺

The home of school fundraising

10

REASONS TO JOIN THE PTA

5

BECAUSE IT'S FUN!

Be part of the team which organises the best events and get-togethers. Debrief over a glass of wine (or two). Suggest your most hare-brained idea and watch as it catches on and everyone wants a piece of the action. Laugh. Cry. Be there for each other.

6

CHANGE SCHOOL FOR THE BETTER

Have your say on important decisions. Work with the school and other parents to see where improvements can be made, and implement them. Directly influence the experience of your child and hundreds of others.

7

LEARN NEW SKILLS

Everyone has something they can bring to the PTA, but you can also learn new skills by trading with others. Always wanted to perfect that cookie recipe? Not sure how to design a poster? Want to hone your public speaking skills? You can do it with the support of the committee.

8

IMPROVE YOUR CHILD'S LEARNING

Studies show that children whose parents are involved in their education do better in school. Engaging with the PTA shows your children's education is important to you. Play your part in improving the school and watch them

9

IT'S NOT JUST FOR MUMS

Everyone is welcome, and it's especially important to have dads and male carers represented, as male role models are crucial in children's upbringing. Dads can bring different skills; they can bring a different perspective, and they can bring along other dads.

10

CREATE LASTING MEMORIES

Our children are only at school for a few years, but they will remember the difference we make for a lifetime. They will cherish the activities and games we fund, learn using resources we buy, and remember the events we hold. Help keep the PTA going so future pupils can benefit too.

PTA AGM

Our Parent Teacher Association (PTA) is hosting its Annual General Meeting (AGM) on **Wednesday 20th September at 6:30pm** and we would love to see you there!

At the AGM, we will be sharing details about the fantastic fundraising achievements of last year. It will be an opportunity for you to learn about the various activities and events that took place, as well as the positive impact they had on our school community.

The AGM also marks the beginning of the planning phase for this year's events and fundraising initiatives. We are excited to meet with new parents who have an interest in joining the PTA team and contributing to our efforts. Together, we can raise even more funds to support the school and our children to live life in all it's fullness!

Whether you are an experienced PTA member, someone who has previously attended meetings, or a completely new face, we welcome everyone to participate. Your presence and input will add valuable perspective to the discussion, helping us shape the future events and determine the fundraising goals for the academic year.

Please mark your calendars for **Wednesday 20th September at 6:30pm for the PTA AGM**. It will be held in the meeting room in school. We kindly request that you confirm your attendance by contacting the school office or through the PTA Facebook page to help us know how many seats we will be needing!

We truly believe that parent involvement is vital in creating an outstanding educational experience for our children. By actively participating in the PTA, parents can contribute to the growth and development of our school community, making a lasting impact on the lives of our students. We look forward to seeing you on the 20th and working together to plan an exciting year ahead.

Volunteering at JPCE!

Are you aware of the exciting opportunities for you to get involved in our school community?

As you know, learning is a collaborative effort, and we strongly believe in the importance of parental involvement. We are looking for people who are willing and able to volunteer to support the children in our school. There are a variety of tasks including hearing readers, supporting with times tables practice, and offering general classroom assistance. When you apply to volunteer, we will discuss how and where you can help out!

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

8am-8pm, Mon-Thurs, 8am-6pm Fridays

Dear Parent or Guardian,

Rocksteady in-school band lessons are the perfect opportunity for your child to learn to play an instrument, develop life skills, have fun, gain confidence, and boost their wellbeing. As they progress through the Rocksteady curriculum, they will collect up to 300 different instrument, musicianship, and performance skills along the way.

Here's what you need to know:

- Lessons are held during the school day. There's no experience necessary and all instruments are provided, so it's very inclusive and accessible.
- Your child can choose from **drums, vocals, keyboard, electric or bass guitar** (subject to availability). They'll join their band mates for a weekly 30-minute lesson, where together they'll learn to play their favourite songs.
- You can proudly watch as your child performs in their end of term performance, showing you and their friends just how far they have come, and how far they could go. You can also **follow their musical journey** in your **Parent Timeline** from your Backstage account.
- Loved and trusted by thousands of schools, lessons are taught by experienced professional musicians who make music education fun. Your child's band leader will support and **inspire** them, while making sure they progress at their own pace.
- Your child will become either a **Mini Rocker** (Reception to Year 2), **Rock Hero** (Year 3 and Year 4) or a **Rock Icon** (Year 5 and Year 6).

Places are offered on a first come, first served basis. Selecting different instrument options will also give you the best chance of getting a place.

Dear Jennett's Park families,

RE: BilinguaSing clubs

We are now taking bookings for the autumn term of BilinguaSing lunch clubs at Jennett's Park CE Primary School.

'BilinguaSing' runs sensory bilingual music classes that stand out from the usual language clubs on offer and our 'On y Va!' and ¡Vamos! We introduce languages in a fun, accessible way supporting the children with the key language skills – listening, speaking, reading and writing. The following clubs are available:

Mondays: Spanish club, open for years 1-3. For those children keen to get a head start on learning Spanish before they start learning it as part of the school timetable in year 3.

Tuesdays: Key Stage 2 French club (years 3-6). For older children wishing to learn French, this programme is specifically designed to be compatible with the KS2 languages curriculum.

Friday: Key Stage 1 French club (years 1&2). For children interested in learning French through our mix of songs and props to capture their imagination.

Classes start from Monday September 25 - Friday December 8 and it will cost £50 for an 10 week course. To register your child, please do so by clicking [here](#). Places will be given on a first come, first served basis. Discounts apply for siblings or children wishing to do both languages – please contact me for more information.

No prior language knowledge is required, but if you would like to support your child's learning at home, I sell membership packs, which include a lifetime 5% discount on all BilinguaSing products – please email me if you would like some more information.

If you have any questions, please contact cari@bilinguasing.com and I look forward to seeing your children in class in September.
