Autumn Term 1

September/October 2023

Welcome to Jennett's Park Primary School!

A warm hello and welcome to all the new children and their families who are joining us in the Nursery class this September.

A special welcome back to our three returning families too. We hope you all had a wonderful summer. The staff in the Nursery are very excited to be part of your child's ongoing journey of learning and development. We have loved spending time with and getting to know your children over the last week and look forward to all the exciting things we have planned this year.

The Nursery years are a time for children to explore through play, laying the key foundations for social skills and learning. We invest time in relationship building and developing friendships. We support children's communication skills as they create and extend new friendships, comment on things during play and begin to question things about the world around them.

We will guide and extend children as they learn to make their own choices and decisions in the learning environments.

You may have noticed that rainbows and owls are very important in our school and we will focus upon the Rainbow Promise and the Learning Owl throughout the year. The Rainbow Promise is inspired by the promise God made to Noah, and we promise to always love, care for and support one another, in order to develop and grow together. As a school we embrace living life in all its fullness and promote the positive values of love, honesty, forgiveness, patience, respect, pride, peace, kindness and joy. The Learning Owl embodies the traits used by the most effective of learners—collaboration, perseverance, independence, perseverance, pride, optimism, challenge and the ability to manage distractions.

Please take special note of the dates sections in these half-termly curriculum news and keep your eye on the school website, the newsletter and Nursery Tapestry notifications to ensure you don't miss anything. We always endeavour to keep you informed in good time of events, activities, but sometimes in a busy school environment dates may change. We ask for your understanding if events cannot take place or need to be re-arranged.

As always, if you'd like to talk to one of us about anything, please let us know and we can arrange a time to see you.

Thank you for your support.

Reminders

Coats: *If the weather is likely to turn, please remember to bring a coat for your child. Coats should have hoods so children's outdoor play is not interrupted by rain.*

Water bottles: *Your child can help themselves to drinking water throughout the session so please remember to supply a named water bottle.*

Labels: *Please remember to keep checking all items of clothing and any bags or bottles are named.*

Jewellery: *Jewellery should not be worn at school. Please note that only stud earrings should be worn at any time.*

Spare clothes: *Please provide a change of clothes, just in case your child needs to change at Nursery.*

Library: *Please bring bags and library books to Nursery on a Monday. Each week your child will bring home a book from school to share with you at home.*

Arrivals: *If the Nursery gate is closed when you arrive, please use the top door bell on the wooden fence.*

Transition

Your children have been amazing during their recent transition into Nursery.

We have been impressed with their confidence during transition visits and when playing and exploring on their own without a parent. The children are building relationships with adults and peers, and are beginning to gather in small groups and learn some of the key Nursery routines.

You should be so proud of them all!

Tapestry

Thank you to everyone who has activated their Tapestry account. We hope you are enjoying seeing some of the learning your children access each week.

If you have not yet activated your account, and are having any difficulties doing so, please speak to one of us at drop off/pick up. Original activation codes sent will expire after a fixed amount of time.

Autumn Term 1: September/October 2023

What can I do at home?

Communication and Language

Remind me of the words and phrases that might help me when I am at Nursery. Words and phrases like: Hello. Goodbye. Good morning. Good afternoon. How are you? Please. Thank you. Please can I play? Would you like to play with me? Can I have a turn now please? I need some help. I need the toilet.

Ask me a little about my day and encourage me to talk about my new friends at home. Encourage me to talk, but don't pressure me. I might not feel like talking right now; maybe try again later.

Challenge: Have you learnt a new word? Can you teach us your word and what it means so we can "magpie" it?

Important Dates—Autumn 1 2023

Wednesday 27th September—School Open Evening

Friday 29th September—Cardboard Challenge Day

October—Black History Month

Tuesday 10th October—Hello Yellow Charity Day

Wednesday 11th October—Individual Photographs

Reading Autumn 1

Book Suggestions: Books about starting Nursery/school

Phonics

General Sound Discrimination – Environmental Sounds.

Aim: To develop children's listening skills and awareness of sounds in the environment

What sounds can you hear on the way to Nursery and on the way home from Nursery?

Can you listen for something louder? Something quieter?
