**Spring Term 1st March 2024**

**John 10:10 Live life in all its fullness**

Dear Parents and Carers,

Gates– by the end of term we will be welcoming children back in via class doors not just via entrance hall/school office. As much as we love the welcome gate and welcome in for some children it isn't working. We can then look to greet at doors. We will give you more details next week on what we expect for a smooth and orderly drop off.

Uniform– Please do your utmost to stick to school colours for uniform (including our PE uniform). We will offer children clean alternatives to change into after Easter if they arrive in non registration kits, if you are unsure on what our kit is, please visit our website: <https://www.jennetts.bonitas.org.uk/school-office/school-uniform/>

Car Park Gates– we've had a few near misses on gates. Please avoid trying to open with hands or following cars through! The gate will bite back and potentially crush fingers.

See you on the gate,  
Liz Savage, Headteacher

## U12s Girls Rugby Tour of Great Yarmouth

The first match was against the Babas which was a pretty easy game for us as we went in with a positivity. The tries kept on coming with the end result 14-0. The second game was against the Eagles. It was much harder with most of our players tired but what made it worst was some of their tackles were missed timed and could have been judged as high to compound this their players were not always respectful and showing the spirit of rugby.

At half time, we were losing 4-0 but then we made our come back. We were weaving through their defence.

We managed to tie it up, well that's what we thought. We had the final results in and we had won! We were on track to winning the cup but our final match came against the wildcats was a must win. With confidence from the other two games, we started strongly – easily scoring but then they pulled back with one try. The score was tied. Then I gathered the ball, came in at a good angle, using all my final strength, I powered past their defence and finally got the ball over the line. It was the final score and enough to win the match and the tournament.

We then went to wait for the presentation, where Poppy Cleall (England and Saracens player) would be there. First went in the Babas – the valiant losers. Then the Wild cats and Eagles – runners-up. Then it was our turn to collect our medals and lift the trophy. We had final celebration photos with Poppy. First we did it like usual but Poppy Cleall taught us a new song and it went like this "She's got the trophy on her head. She's got a trophy on her head." Then we went to go celebrate at the club house and watch the 6 nations games.

# Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

 *Forgiveness*

 *Patience*

 *Support*

 *Kindness & Joy*

 *Love*

 *Honesty*

 *Respect*

 *Peace*
