John 10:10 Live life in all its fullness

Dear Parents and Carers,

We are recruiting! Please see our website:

[Current staff vacancies | Jennett's Park \(bonitas.org.uk\)](https://bonitas.org.uk)

Thank you to the team at Sears for arranging an Easter Egg trail to support Rafi's family (details below):

A new page to share– we have many updates for our international curriculum [International | Jennett's Park \(bonitas.org.uk\)](https://bonitas.org.uk)

We are returning to classroom morning drop off after Easter, see page 3 for details.

See you on the gate, Liz Savage, Headteacher

Morning drop off Q & A

Why are we trialling a return to coming in via classes?

We think it will be a quicker and smoother start to the day.

Teachers and adults in classes can greet and get things sorted quickly.

Can I come into the class as a parent?

No, whilst that might seem comforting please stay at the door to settle and quickly say goodbye. Smooth drop offs are important to start a day. Be sure to discuss this change with your children.

Will more gates be open?

Yes, the front gate and goodbye gate (near Y4) will be open. We will trial opening the back gate (near MUGA) later on.

Will the gates be open longer?

The front and side gates still close at 9:02. Any late arrivals need to enter via the school office.

Do parents have to drop to doors?

No, from year 3 we expect that they can walk around (you can walk round if you wish). Year 1-2 you may stop at big wooden Dance and Sensory gate to say goodbye if you find this easier.

Can I talk to the teacher/ an adult at a door?

We continue to ask you to save this at the end of day. Only urgent messages should be passed on at drop off. The maths is 30 x 1 minute conversations means 30 minutes. Messages need to be swift or remain as emails or coming to the office to make sure teaching time is maximised and the day begins promptly.

Messy play club

The club has had lots of fun this half term! We're very excited to continue this club in the summer term, with lots more messy activities to explore.

Hope to see you next time around, clubs will be bookable on Magic Bookings next week!

Miss Woodhall and Miss Haworth

Menu Change

To celebrate the last day of term, Emma and the team have changed the menu!

- Fish fingers and chips
- Vegetable jambalaya
- Cheese wrap
- Jacket potatoes (cheese / tuna / beans)

Served with veggies and Emma's homemade Easter rice crispie cake

Message from Cllr Temperton

Following the recycling poster competition please see below message from Cllr Mary Temperton

We received about 1000 entries for this competition. It was a truly amazing response and thank you to all who made this possible.

Unfortunately we are not able to display all the entries in the space allocated to us in the window display in the Lexicon.

We have included as many as possible but please alert your families that their child's entry may not be on display.

We did want to show all entries, but this has not been possible. We have learnt a lesson for next year.

Our apologies to the children but please thank them for every entry showed thought and understanding,

I am writing this on behalf of the organising committee for Pride of Bracknell,

Mary

Brain teaser: What country do these

International News

Here at JP, we are committed to a global education, and living life in all its fullness (John 10:10). We believe that by learning about other cultures and connecting with countries abroad—as well as those in different communities within the UK - we can broaden the horizons of all children and allow them to learn tolerance and respect towards others.

Recent news

We are excited to share some international news with you regarding an exciting new partnership that we at JP have established with Peterson School in Mexico City.

As part of this partnership, our Year 5 students have been hard at work creating a welcome video. This video will be sent to Peterson School to showcase our school community, values, and traditions. In return, we will be receiving a video from Peterson School, which will be shared during assembly in late March—early April.

Have you seen the TV in entrance hall? Every day, breakfast club have been setting up the TV to play Newsround, so you can watch, listen and read the news throughout the day!

UPCOMING EVENTS

- International week begins on the 17th June
- Flamenco workshops 17th and 18th June
- Bringing in national dishes for tasting 21st June

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

 *Forgiveness*

 *Patience*

 *Support*

 *Kindness & Joy*

 *Love*

 *Honesty*

 *Respect*

 *Peace*

These are our Values we try to live each day
