John 10:10 Live life in all its fullness

Dear Parents and Carers,

We were delighted to send £2,875.37 to Team Rafi this week. Thank you for all your generous support and donations.

Please can I remind you that for safety we need children collected on time at the end of the school day. We have leniency in emergency but for persistent offenders (more than twice in a fortnight) children will be admitted to our after school club who will charge an emergency childcare fee.

Camp Beaumont are running this Easter and are offering 20% off with code JP24. Help us by attending this, other clubs or wrap-around care and having our dinners. That helps the school generate money!

Lastly a plea. You know how tight finances are at the moment for everyone. Please help us by paying for trips and experiences as soon as possible. We have had to cancel some due to low uptake which people say that if they had known they would have paid for. You can pay with our new card machine in the school office if that helps!

Read all about our Pause Day this week and enjoy updates next week on World Book Day.

See you on the gate, Liz Savage, Headteacher

Red Nose Day / School Council

This year Red Nose Day is on Friday 15th March.

We have some fun activities planned in school and hope to be able to raise much needed funds for the Comic Relief charity.

On the day, children are invited to wear one of the following:

- Red clothing
- Official comic relief clothing

If children would prefer to wear normal uniform, that is not a problem.

Children may also wear a red nose if they have one *but we will not be selling these in school.* We would ask for a donation of £1 per child. This can be paid in cash on the day or online to normal RND donation collections.

In school, children will have the opportunity to take part in a variety of activities within their classes.

Design a Red-Nose Competition Children can choose to take part in a 'Design a Red Nose' competition. Entry forms are available in each classroom and, for a donation of 50p, children can design a Comic Relief Red Nose.

The winning designs for each age group (EYFS, Y1&2, Y3&4, Y5&6) will win a prize. The deadline for entries is Thursday 14th March to Mrs McGill.

We hope that the children will really enjoy the day and that we will also be able to raise money for Comic Relief.

Many thanks,

The School Council and Mrs McGill

Confirmation

On the 21st April Bishop Olivia is attending St Michaels Church to do a confirmation service. They have a number of candidates in the Church who have expressed an interest there is an invitation to the children in the school.

Confirmation is for children Year 5 and 6 (or above) plus adults. Confirmation is when a person confirms the promises that were made when they were baptized. If they were baptized when they were a child, their parents and godparents made these promises on their behalf. As a young person or adult, they may wish to affirm these promises for themselves.

On-site vacancy with our catering partners

Catering Assistant

Jennetts Park Primary School

Harrison Catering Services is one of the UK's leading independent catering companies, serving high-quality, freshly cooked food to thousands of people in schools and workplaces every day.

We are looking for a Catering Assistant to join our catering team. The position will assist with setting up our daily Lunch and serving Pupils, as well as clear down at the end of the day.

The ideal candidate will be able to work as part of a team. Full training will be provided along with uniform. You will be rewarded with a competitive salary for working 15 hours per week, term time only.

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

 *Forgiveness*

PAUSE DAY

Yesterday, we celebrated our first interfaith Pause Day. Some of our wonderful parents from our school community gave up their time to share knowledge about their faith and how they prepare for Eid al-Fitr during the month of Ramadan. The wife of the Bracknell Iman joined us and every year group had the opportunity to spend some time with our guests and gain a deeper understanding of these celebration.

The parents and staff organised a table with different artefacts for the children to explore and to ask questions about, a table where they were able to write their name in Arabic writing, a table with a game exploring diversity in Islam and lots of fun crafts (and glitter!).

We would like to thank all the parents that kindly gave so much of their time and effort to provide a whole day of enjoyment and learning for our children.

We hope that in the future these initiatives continue as it is wonderful to see the support of our community.

Squirrels

Seeking bright eyed and bushy tailed new recruits

2nd Crowthorne are currently running a pilot Squirrels section on Tuesdays 4.30pm-5.30pm. This new group is based at the Pinewood Centre and is open to all children aged 4-6 years old. It aims to provide fun, adventure, friendship, and of course, badges.

We are interested in hearing from potential Squirrels and adults who might be interested in helping to form a new team to run the group beyond Easter.

Please contact sandra@qtdgroup.com to register your interest and join our pilot project, which is running until 26th March.

Managing Screen time from Internet Matters

Are you worried your child has too much screentime or would like more advice on how to support your child in managing their screen time? Internet Matters have a wealth of information on their website to help support you.

This first link discusses how to get the most out of screen time and how to talk to your child about screen time based on their age:

- <https://www.internetmatters.org/issues/screen-time/protect-your-child>

This second link provides advice on how to tackle too much screen time and what the signs of too much screen time might be:

- <https://www.internetmatters.org/issues/screen-time/deal-with-it/>

This final link provides a guide on how to balance screen time:

Fortnite Battle Royale

Fortnite Battle Royale is rated PEGI 12 because it features moderate violence which means it is not suitable for persons under 12 years of age.

It is important to remember that when rating games, PEGI do not take into consideration the communication features of a game. Fortnite does include a chat facility, which adds further risks.

What is Fortnite?

There are different versions of Fortnite, including Battle Royale, which is free to play (although in-app purchases are available). In Battle Royale up to one hundred players compete against each other.

What do I need to be aware of?

- **Chatting to strangers and inappropriate language:** Fortnite contains voice and text chat. Due to the nature of the game, your child may be chatting to strangers and may hear inappropriate language. Ensure your child knows how to report players for any inappropriate behaviour.
- **In app purchases:** All users can purchase V-Bucks directly through the game so make sure you don't store your card details within the game/device and restrict purchases.

Parental Controls

Fortnite includes several parental controls to help you make it a safer environment for your child including disabling voice chat, filtering language and setting privacy settings. **Also, remember to set up age-appropriate parental controls on the device your child is playing on.**

Further information

Virgin Media outline how to set up the different parental controls available: <https://www.virginmedia.com/blog/parental-controls/gaming-fortnite>

Does your child need a mobile phone?

If you are thinking about giving your child their own phone, then you might find this article from Family Lives useful as it discusses things you need to consider:

<https://www.familylives.org.uk/advice/primary/health-and-development/does-your-child-need-a-mobile-phone>

Instagram

You will probably know that Instagram is used to post photos and videos, but did you know that it can also be used to message, voice/video call and send disappearing messages? Users can also upload to 'Stories' (which disappear after 24 hours), broadcast live and upload reels (short videos).

You must be over 13 years of age to set up an account. To create an account, you must enter a date of birth (but it is not verified). *When you set up an account for users under 16 years old, the account is set to Private. This is the recommended setting so that your child approves who follows them and sees their content.* Even if your child's profile is private, their bio (at the top of their profile) can still be seen by **everyone**. Check they have not included personal information here e.g. they should not be wearing their school uniform in their photo.

Instagram includes several privacy settings, so go through these with your child and ensure they are set appropriately. Settings include:

- Messages/Group chats – set who can message you/add you to groups.
- Story replies – you can turn this off or choose who can message you.
- Hidden words – turn this option on to hide comments/messages that may be offensive. You can also add your own custom words or emojis.

Make sure your child understands that there is a risk that content they upload can be shared with others without their permission as other users can screenshot it.

Supervision

You can set up supervision on your child's (aged 13-17) Instagram account. This gives you access to a set of tools including the ability to see who they follow/who follows them, how much time they are spending on Instagram, set a time limit and view accounts your child has blocked. Your child can also share when they have reported anything to Instagram with you. Learn more here: <https://help.instagram.com/658522825492278>

Safety Features

Ensure your child knows how to report posts and people, how to unfollow and block people, delete and turn off comments. View here: <https://help.instagram.com/269765046710559>

Quiet mode

Your child can activate quiet mode, so they do not receive notifications (to provide less distraction whilst studying and at night time).

How can I keep my child safe on Instagram?

The NSPCC have published a blog with everything that you need to know: <https://www.nspcc.org.uk/keeping-children-safe/online-safety/online-safety-blog/keeping-children-safe-on-instagram/>

More information

- Visit the family centre to learn more about the features available: <https://familycenter.instagram.com/>
- Download a parent's guide to Instagram: <https://help.instagram.com/299484113584685>

Do you need help managing your child's device?

You can use Google Family Link or Apple Family Sharing to help you depending on your child's device.

Google Family Link

This is a parental control app from Google that lets you:

- See activity reports showing how long they spend on each app.
- Approve or block new app downloads.
- Set screen time limits.
- Find their location (using their device).

You will need to download an app and then decide appropriate settings.

<https://families.google.com/familylink>

Apple Family Sharing

You can set up Family Sharing in the settings of your device. Family Sharing allows you to:

- Share Apple subscriptions.
- Share purchases from the App Store.
- Approve what children purchase/download.
- Limit screen time.
- Share locations and find devices.

<https://www.apple.com/uk/family-sharing/>

Monitoring Apps (paid for)

In addition, there are apps that you can pay for that you may find provides a better solution for you. Whilst we cannot recommend a specific product, these are some examples that you could review and test using a free trial:

- Norton Family: <https://uk.norton.com/products/norton-family>
- Qustodio: <https://www.qustodio.com/en/>

Well done Adam!!!

A huge congratulations to Adam in Year 3, he achieved 2nd place in the Bracknell & Wokingham Swimming Club meet last weekend.

Well done for all your hard work!

Well done to our Year 4 Cheerleaders!

Eloise, Ella and Hannah (Year 4) have competed with their cheerleading team Legacy Allstars Mighty Legends. On Saturday 4th February they placed 3rd at Warwick University's Cheer City Winter Wonderland competition.

On Saturday 24th February they competed in the ICC Southern Competition and came 2nd place and qualified into The Battle of

the Champions competition which takes place in Nottingham on the 22nd June.

Good luck for June!

Football Report

School Football returned after its winter break to winning ways. Last Thursday after school, we visited the muddy pitch of Wildmoor Heath. The game and conditions were not suited to our passing football but the team persevered, with the very wet pitch. Within the first minute, they were on top with a wonderfully crafted team goal that was finished by Olly L. The team continued trying to pass and work hard for each other and before half-time they found themselves another goal, finished well by Jacob S-H. The half-time team talk was about continuing to play our passing football and try something different from corners. The players took this onboard. The first corner of the second half was witness to some slick short passing between Jacob J and Ellis before a neat cross found Olly L to finish low into the corner.

Final score Wildmoor Heath 0 - 3 Jennett's Park.

All players received a vote for player of the game and the overall POM was Olly L.

Mr Page's favourite moments: Ellis taking a corner and getting mud all over his face; Jacob S-H looking like the swamp monster and Asa playing like a Rolls Royce and not needing to get a speck of mud on him.

Well done to the team. Thank you to the families for your support. We look forward to reporting about the girls team next week too.
