**Summer Term 19th April 2024**  
**secretary@jennetts.bonitas.org.uk**  
**John 10:10 Live life in all its fullness**

Dear Parents and Carers,

Welcome back and welcome to any families who are joining us for September– National Primary Offer Day was Tuesday and we are delighted to know we may have so many existing families stay with us. For new members you are most welcome to be part of the Jennett's Park family.

It is impossible to tag joy with a season. There are moments of joy that can be a part of any season. When nature gives you more beauty in winter, it gives you more time to help yourself in summer. And of course, more fruits. If I were to count the days in which I had more fun, they would be from the summer season, although I am a lover of winter. “When you do things with your soul, you feel a river flowing through you, that is joy.”

Remember the best way to help us is to sign up for clubs, come to wraparound care and pay promptly for trips. Money is very very tight at the moment like in most public services so we have had to cut back on a few areas like counselling and additional interventions. WE hope to restart in September.

**Class photographs are next Monday—please do wear full uniform and not PE kit!**

Curriculum newsletters are available on the website under year group pages. [Year Groups | Jennett's Park \(bonitas.org.uk\)](https://www.bonitas.org.uk)

See you on the gate(s),

Liz Savage, Headteacher

### Poppy Playtime

It is important that you are aware that whilst the name and characters suggest a playful game, it is a survival horror game with graphics that may not be suitable for your child. It includes characters such as 'Kissy Wissy' and 'Huggy Wuggy.' Please view this game before allowing your child to play it as it may not be appropriate for them – particularly young children.

Children may be playing the game or just watching videos of it on sites such as YouTube or playing replicated versions on Roblox for example.

#### Further information

Safer Schools NI have produced this

### Cyberbullying

#### What is cyberbullying?

Cyberbullying is bullying online and can take many forms such as sending malicious messages, leaving nasty comments, excluding somebody from a group chat, blackmailing or setting up a fake profile. Cyberbullying can take place across many different platforms such as WhatsApp, Snapchat and on games such as Roblox and Minecraft.

#### What should I do if my child is being bullied online?

If your child is being bullied, then try to stay calm and let them know that it is not their fault. It is always useful to keep evidence of any online bullying and inform their school so that they are aware. Show your child how to block and/or report any users/content and review their privacy settings to limit what others can see. You may also wish to set up any parental controls that are available.

## Gardening Plea

We look forward to more outdoor days and gardening so first a plea – if you have any spare gardening tools, seeds (clearly labelled) or items the avid gardeners in our school can use drop them to the Thrive donation table.
