

Year 3

Spring Term 2 - February/March 2024

READY TO LEARN

Throughout the year, all children in Year 3 will be expected to have the following items in school **every day**.

- WATER BOTTLE (named)
- READING BOOK

It is expected that all children in Year 3 read at home at least 4 times a week.

THINGS TO REMEMBER...

P.E - PE is every Monday and Friday.

You should also be logging in to Seesaw once a week and Times Table Rockstars and spelling frame at least twice a week.

Green Jays and Parakeets

Welcome back!

We hope you all enjoyed your half term. The children have quickly adjusted back into our everyday routines and are eagerly diving into their learning.

We are excited for our upcoming Vikings trip to Ufton Court and will be sending out more information on this very soon, so please look out for that.

We continue our Viking learning this half term, ending our topic with a fun packed Viking themed day!

As always, we are available at the end of the school day should you have any queries or concerns. If, however, you would like a longer chat than just at the classroom door, please make an appointment through the office.

Best wishes,

Mrs McGill and Miss Jennings

YEAR 3

Spring Term 2 - February/March 2024

Week Three	Length & Perimeter	Writing to entertain Action story
Week Four	Fractions	Writing to entertain Action story
Week Five	Fractions	Writing to entertain Action story
Week Six	Consolidation Week Recapping Past Objectives	Writing to entertain Action story

Curriculum

We are continuing our Viking learning this half term and are eagerly looking forward to our Ufton Court visit. Through our Vikings topic we will look at the continents of the world, how Vikings raided and where they settled. In PE we are thinking about using communication to help us in our physical skills to help game play and getting good control over the ball in different activities, with focus on tag rugby. In RE this term we are focussing on the story of Easter from Christianity and why Christians celebrate every year. Our Science topic for this half term is looking at living things and the body.
