International Week 2024

Dear Parents/Carers,

I am writing to inform you about the exciting upcoming event at Jennett's Park CE Primary School - International Week, which will be taking place on the week beginning 17th June. This week will provide our students with an opportunity to broaden their horizons, foster cultural understanding, and celebrate diversity.

As part of International Week, we have organised several activities designed to engage and educate our students about different cultures. We have recently partnered with **The Peterson School** in Mexico City, who have begun to take part in some interesting projects with some of our KS2 children.

We hope that everybody will be excited about being able to foster relationships with a school across the world building new connections.

On the 17th and 18th of June, we will be hosting a fascinating Mexican music and dance workshop. This opportunity will allow students from all year groups to learn about traditional Mexican music and dance forms. As well as this, we have a member of the British Airways cabin crew coming into the school, to teach the children more about travel and what skills you need to be an explorer of the world.

To enhance the experience and give all children a chance to share their heritage, we kindly request that children (with help of parents and families if possible) bring in **national or cultural dishes** for tasting in classes on **Friday 21st June**. However, please note that due to potential allergies and dietary restrictions, we ask that a list of ingredients be brought along with the dish. This ensures that we can allow all children to participate in the tasting session while providing a safe environment for all who have dietary needs.

We hope that International Week will provide our students with a rich and immersive experience, fostering an appreciation for different cultures and developing their understanding of global citizenship. We'll update you closer to the time on more plans! If you feel you have any expertise/ evidence we can use please do get in contact. Should you have any questions or require further information, please do not hesitate to contact the school office.

Thank you for your continued support in providing our students with a diverse and inclusive education. There is no additional funds needed for this as costs are within our special activity fund already open in Squid and Sports/ PE premium.

Yours sincerely,

Sasha Picton

Year 5 teacher

International and Geography Lead.
