Egyptian Day – 13th June

Dear Parents and Guardians,

We are delighted to announce that year 5 will be having an Egyptian themed day this year! On the 13th of June, we are inviting everyone in year 5 to dress up like an Egyptian for the day if they would like to.

We have booked a Portals to the Past science and history interactive workshop which will introduce the children to the fascinating and enigmatic world of the ancient Egyptians.

Children will participate in activities throughout the day as they learn about what happens following the death of a mighty Pharaoh, including tomb building, the mummification process, burial ceremonies and the crowning of a new Pharaoh. The day will also include doing maths the Egyptian way, learning how to measure in cubits, the opportunity to examine Egyptian artefacts and learning to play an ancient Egyptian board game.

This will be a really enjoyable day full of activities that support your children's learning across many subjects.

We are requesting a £7.60 voluntary contribution to cover this workshop.

Please call the school office if you have any questions or want to discuss the trip further.

Yours sincerely,

Sasha Picton and Joy Venediktou
