## SUMMER 2

## Sunbirds and Sabrewings News

### Welcome Back!

Wow ! Can you believe it is already our final half term? Well, time flies when you're having fun! So, as we embark on our final learning adventure together, it is with great pride, that we share what a wonderful learner and young person your child has become.

This term will see us continue preparations for secondary school life. The enrichment activities will be a key part to this. We are already starting to see the young children, who joined us in September, develop into young adults. Young adults with a set of skills that will see them thrive; young adults with an independence to organise themselves; young adults with enthusiasm for life and learning.

This term will be filled with opportunities, which will include: sports day, our summer production and much more. The Year 6 teaching team look forward to our final term together. May it be filled with learning, laughter, love and sunshine.

As always, the door is open.

Warm summer wishes—Mr Page, Mrs Ballard, Mr Frost, Ms Deauville, Mr Henry and Miss Sagoo.

### Owl Learning Values

Challenge	Optimism
Collaboration	Pride
Independence	Perseverance
Managing Distractions	

### Rainbow Values

Forgiveness	Love
Patience	Honesty
Support	Respect
Kindness & Joy	Peace

# Year 6

## SUMMER 2

	Numeracy	Literacy
Week 1	Maths investigations and puzzles	Incident reports about Ghost chapter 1
Week 2	Maths investigations and puzzles	Letters of complaint about a terrible restaurant experience
Week 3	Maths project—tran towers	To link with our reading of our class text Ghost—we will write persuasive adverts about trainers.
Week 4	Maths project	We will write character profiles to create a programme for the summer production
Week 5	Maths project	We will write character profiles to create a programme for the summer production
Week 6	Maths project	We will write leavers' speeches to share in our leavers' assembly
Week 7	Maths project	We will write leavers' speeches to share in our leavers' assembly

### Curriculum

Our afternoons will be filled with singing, dancing and performing as we prepare for our Summer Production 'What a Knight!'. In P.E., we will be focusing on the game of Kwik Cricket and athletics as we prepare for Sports day. In music, we will continue to learn how to play the steel pans. In geography, we will improve our location knowledge and consider the best location for the next major sporting event. In DT, we will plan and make marble runs. In computing, we will code micro:bits to act as pedometers and data loggers. In science, we will make electrical circuits. Finally, we will use RE to spiritually reflect on our journey so far and the next steps we will be taking.

## SUMMER 2

### **5 Top Tips to Support Your Child This Half-Term**

1. Keep your child in good habits with their home-learning as they prepare for secondary school.
2. Talk about emotions as we enter this period of transition and change.
3. Keep your child writing; SATs may be over but writing assessment continues.
4. Encourage your child to continue to follow the Rainbow Promise outside of school and on social media.
5. Enjoy the last half term of your child's journey at primary school.
