Online Safety Act

What is the Online Safety Act?

The Online Safety Act 2023 is a set of laws introduced to protect children and adults online. As part of this role, Ofcom have designed the Children Codes of practice, which came into force in July

COMMUNICATION WITH SCHOOL

As we start the new school year, we would like to take the opportunity to remind our families of our [communication policy \(available on our website\)](#).

As our priority remains to teach the children, teachers are not always immediately available to meet or speak with parents.

The correct route of concerns is to speak to class teachers (you may book this via the office if the start/end of day is not long enough). If class teachers are unable to resolve issues after a few meetings then please make an appointment with your Phase Leaders, then SENDCO/Assistant Heads/Deputies or the Family Support Worker via the school office. Parents that demand an immediate appointment may not be accommodated, this would be the same in any school or indeed doctors, lawyers or dental surgeries.

VOLUNTEERS IN SCHOOL

Dear Families,

Do you have a passion for reading and/or can spare some of your time to come and support our children read on a regular basis?

We would love to invite you to become the founding members of our volunteer team, the 'Reading Guardians'. If you can spare weekly (anywhere from an hour to a whole morning or afternoon) support we would love to hear from you.

Our children would really value extra reading time with an adult and our staff would be incredibly grateful. If this is something that interests you, we would need you to:

- Be able to commit on a weekly basis at an agreed time and day (of course we understand there may be occasions you cannot attend)
- Fill in an application form with willingness to seek two character references
- Bring in your ID documents so we can apply for your DBS check
- Attend a Safeguarding and Reading Training meeting

If this is something that you may be able to support with and interests you, please do complete our online form and we can get the ball rolling!

Alternatively, if you or another family member would like to volunteer regularly in a more class-based role, we can also discuss any other talents and more specialised subjects moving forward, please just get in touch.

Many thanks for your time,
Mrs Claire Dhillon
