JOHN 10:10 LIVE LIFE IN ALL ITS FULLNESS

Dear Parents and Carers,

Phew - a very full week. Planetariums, Odd Socks, Poppies and Remembrance, AGM's and of course of Be a Buddy Day and World Diabetes Day.

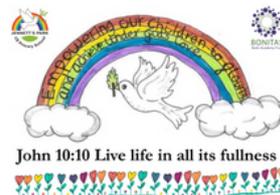

Separated parents coming from a blended family myself I know how hard it can be. As a school, we do not take sides. We cannot do that. Please be reasonable in communicating your requests rather than leaving school in the middle! Do take time to read our [policy](#). Some more advice coming over the next few weeks on our website.

Remembrance Day was celebrated throughout our school, please see our wonderful video from our Year 6 children [here](#).

A huge thank you to our friends at **Kerith Church's Prayer Spaces** who came in to give us the gift of their understanding and wisdom in how to make friends and being thankful.

Our Wellbeing Award reviewer will be in school on Tuesday 25th November, if you would like to pop in to answer questions about how your children are supported in school. If you would like to contribute, please pop in at 11:00am.

See you on the gate,
Liz Savage, Headteacher

WINTER WONDERLAND

On Friday 21st November, we're holding a non-school uniform day to help support our Christmas Winter Wonderland Fair!

Instead of wearing uniform, children are invited to bring in a donation for our stalls and raffles. We'd love items such as bottles of drink, boxes of chocolates or sweets, toiletry gift sets, books, toys and games, soft toys, or new stationery. The more donations we receive, the more we can raise towards improving our school playground. Thank you for your support and generosity — every item helps make our Winter Wonderland a magical success!

If you are donating any alcohol or glass gifts - please do drop this into the office for safekeeping!

QUIZ CLUB

Last week, some of Jennett's Park top quizzers took part in the annual inter-school Quiz Club competition. They competed against schools all across the UK in a live, online competition, answering general knowledge questions ranging from recognising the chemical symbol of Sodium to the year in which the Wright brothers first took flight.

As you can tell, some of the questions were challenging but our teams put in an excellent display of quiz mastery. For most of the competition, we were floating around the mid-table. It was the final round that got the better of us with each question worth 100 points each! In the end, our teams were a just a few questions short of the top four.

I would like to commend them in their perseverance and rising to the challenge demonstrating some of our Owl learning behaviours here at Jennett's Park. Well done to:

Year 6: Burhan and Hunter

Year 5: Bertie and Greta

Year 4: Oliver and George
