Jennett's Park CE Primary School is looking for an enthusiastic, committed, and friendly Office Manager to join our team. This is a vital role where you will keep the school running smoothly, supporting staff, pupils, parents, and visitors alike.

As Office Manager, you will lead our administration team, manage the reception service, and oversee all aspects of school administration. You will be the welcoming face and professional link for everyone who comes into or contacts our school. While experience in a primary school setting is desirable, it is not essential; we value dedication, organisation, and a polite, approachable manner above all.

Joining Jennett's Park means becoming part of a supportive and vibrant team that enables every member of our community to live life in all its fullness. You will play a key role in ensuring our school is a welcoming, well-run environment where staff and pupils can thrive.
