OPAL

Help Us Build the Fun! 🌱🔍 We're excited to share that on Tuesday 28th January, a wonderful group of volunteers will be visiting school to build mud kitchens and play-stations for our children as part of our OPAL project.

We Need Your Help!- To make this project a success, we're asking for donations of wooden pallets to be transformed into mud kitchens, music walls and ball runs, they need to be in good condition without rough edges or nails sticking out. If you have one or 2 that you could donate from building projects or maybe even those of you that work in the trades - please think of us!

Our volunteers will also need screws, guttering and hooks for the building process - can you help? Do we have any families in the building/creating trades? Could you or your company donate some?

How to Donate

Please bring any donations to the front of the school and stack pallets to be used neatly near the donation table by Friday 23rd January so we have everything ready for our build day. If you have objects such as bowls, utensils, tins, guttering or funnels please donate them in the same way - we will welcome any support!

Alternatively...

Are you creative?! Do you fancy building your own mud kitchen or playing station like above to donate to the school? If you love creating and would like a project, get in touch and let us know, we are grateful for any help!

Thank you so much for your support – we can't wait to see what our volunteers create, and we know the children will absolutely love their new playground stations! If you have any questions, please don't hesitate to get in touch with the play team via the school office.

What Parents and Carers Want for Their Children

We asked: 'As partners in your child's learning, what qualities and abilities do you want them to develop by the time they leave?'

Here's what you told us:

-  Personal & Emotional Growth
 - Kindness, confidence, resilience, happiness, responsibility, curiosity, emotional awareness, strong values.
 -  Social & Community Skills
 - Good friendships, respect for diversity, teamwork, confidence to speak and listen, pride in school.
 -  Academic & Learning Habits
 - Strong reading, writing, maths; problem-solving; independence; creativity; perseverance; digital skills.
 -  Life Skills
 - Confidence to try new things, communication, safe technology use, self-care, healthy choices, global awareness.
 -  Future Aspirations
 - Ambition, adaptability, pride in strengths, love of learning, readiness for secondary school.
- 👍 In short: Parents and Carers at JPCE want children to leave school as confident, kind, resilient learners ready for the future—academically, socially, and emotionally.

Our Final Question What do you want Jennett's Park CE Primary to be known for in 3-5 years? Explain in a few words what you think.

Final Question from Governors – Fill in form

Is your child entitled to free school meals?

Children who attend a Bracknell Forest school and whose parents or carers receive certain benefits, may be eligible to claim free school meals.

Free school meals are a good way to ensure that your child eats well at lunchtime, and you can save yourself time and money.

Plus, if you are eligible to claim free school meals your application will trigger extra government funding for your child's school. This funding is called Pupil Premium, and it will be invested in your child's school to improve educational outcomes.

Don't miss out - apply today!
