JOHN 10:10 LIVE LIFE IN ALL ITS FULLNESS

Dear Parents and Carers,

Thank you to all for your patience with us whilst we regrow our admin office team. You should start to see some new faces appear- do please say hello. A big thank you to Emma Akers and Sam Brown for helping guide the team over the past few weeks as new faces appear.

Mobile phones and dogs.

I love both but neither can be on site (well a phone can be in your pocket.) Please spread this simple message to all and nod and mime away if you see people forgetting to put them away into pockets. Well maybe not the dog. Ding Rawrww bleep Woof.

Please enjoy your half term. Some updates below:

OPAL UPDATE

The better weather is on its way, and we're getting excited for even more fantastic outdoor play!

Our OPAL journey continues to move forward, and we're thrilled to share that we now have a brilliant new space to store our growing collection of play resources. This means we can begin gathering even more items to enrich the children's play experiences.

Do you have any resources that could be used for creative outdoor play?

We're on the lookout for items such as:

- Large cable reels
- Plastic crates
- Unused decking boards
- Guttering or tubes
- Sturdy baskets or storage tubs
- Pens and pencils
- Any toys no longer wanted at home!
- Unwanted colouring books
- Cushions, rugs, blankets and cuddly toys

Please bring these to the area outside the office doors to donate, or take a look at our Amazon wish list to support us further!

Amazon Wishlist

If you have anything similar at home, work, or know of a business that might be clearing out materials, we'd be incredibly grateful!

REINDEER RUN AKA THE MUDATHON

On Friday 6th February the whole school took part in the Reindeer Run to raise money for Thames Hospice. Despite the wet and muddy conditions, everyone enjoyed taking part in this annual event to raise money for charity. Children completed laps of the field, with the older children supporting the younger ones on the way round, as well as showing team spirit and cheering each other on.

Mr Page brought the atmosphere with his music for all to enjoy as they made their way round the field. We are yet to hear the grand total that we have raised but as soon as we have this information, we will let you all know. Thank you to the whole school community for their participation in this event and to all of the sponsors for their donations.

On Wednesday 11th February we took a team of students to an athletics event.

The children all performed really well in a mix of track and field events that involved various runs, jumps and throws.

All the children showcased the schools values and gave 100% effort.

We are very proud of what they achieved. A massive well done to Lottie, Esme, Felicity, Poppy, Isabella, Sadie, Hunter, Ethan, Djaoued, Tommy, Harvey and T'Ajae!

WORLD BOOK DAY

World Book Day is a brilliant chance for us to celebrate the reading and books we all enjoy.

Children are welcome to dress up as their favourite book character. For those who don't like dressing up they are welcome to bring in their favourite book or create a model of their favourite character and wear own clothes.

There will be lots of book related activities on the day around school and we look forward to sharing them all with you.

BRACKNELL'S CHILD NEGLECT PRACTITIONER SURVEY 2026

Please take time to complete this survey for Bracknell's Child Neglect Practitioner Survey 2026, which closes on 15 February.

We are seeking views from practitioners across the BFSB partnership to help us understand how neglect is identified and responded to, where practitioners seek information, and what additional support or resources would be helpful. The survey is confidential and takes around 10 minutes to complete.

National Year of Reading 2026 ABC to read - Reading Adventure Challenge

Objective: Celebrate stories and creativity, making it accessible for all children, including those who find reading difficult.

How it works:

1. Children pick a story they enjoy. It can be read to them by a teacher, parent, or volunteer if they are not confident reading independently.
2. They create a short response inspired by the story. Options include: Drawing a favourite character or scene, creating a simple "story map" or comic strip, to show what happens in the story.
3. Children submit their entry to ABC to read. Schools or volunteers can help collect and send submissions.

PRIZE: Winners will receive a "Reading Adventure Activity Bag" comprising of:

A children's book (suitable for different reading levels)

Or creative activities linked to stories

Stationery for drawing or simple writing

JUDGING:

Entries will be assessed on creativity, effort, and enthusiasm rather than writing skill, with categories by age group.

Is your child entitled to free school meals?

Children who attend a Bracknell Forest school and whose parents or carers receive certain benefits, may be eligible to claim free school meals.

Free school meals are a good way to ensure that your child eats well at lunchtime, and you can save yourself time and money.

Plus, if you are eligible to claim free school meals your application will trigger extra government funding for your child's school. This funding is called Pupil Premium, and it will be invested in your child's school to improve educational outcomes.
