Invictus

Today, a group of Year 5 and 6 pupils had the opportunity to take part in a sports competition with local schools at Edgeborrow School. They enjoyed a range of activities including archery, dodgeball (with the challenge of hitting a giant exercise ball!), and Polar Bear Hockey, where they had to dribble their ball to the other side without being captured by the polar bear.

The children had a fantastic time and showed great enthusiasm, continuing to play through both rain and sunshine – the joys of the British weather!

Well done, everyone!

Eat them to defeat them

As a school we have registered to take part in this year's healthy eating initiative- Eat Them to Defeat Them during the week of 23rd March. This initiative has been created to encourage children both in and out of school to eat and try more vegetables as part of their meals each day. As well as developing healthy eating habits going forward. Children will be awarded stickers from the kitchen each day for trying vegetables with their lunch. Each child will be given a challenge booklet to complete at home as part of this initiative-which includes eating the most colourful plate of vegetables and making different vegetable dishes from around the world to share with family. Please may you send in and share with us photos of any challenges your child completes at home towards this exciting healthy eating week, so we can celebrate these.

Is your child entitled to free school meals?

Children who attend a Bracknell Forest school and whose parents or carers receive certain benefits, may be eligible to claim free school meals.

Free school meals are a good way to ensure that your child eats well at lunchtime, and you can save yourself time and money.

Plus, if you are eligible to claim free school meals your application will trigger extra government funding for your child's school. This funding is called Pupil Premium, and it will be invested in your child's school to improve educational outcomes.

Don't miss out - apply today!
