4th March 2026

Year 6 British Science week – Wellington College trip - Thursday 19th March

Dear Parents/Carers,

As part of **British Science Week**, we are delighted to share that our Year 6 children have been invited to **Wellington College on Thursday, 19th March 2026** for an afternoon of exciting and *explosive* chemistry demonstrations. The session will showcase the wonders of chemistry through engaging, hands-on demonstrations designed to spark curiosity and inspire our young scientists.

There is **no cost** for this visit. We will be **walking to and from Wellington College**, a route we have successfully completed in previous years.

Key Information:

- **Departure:** We will leave school at the start of the school day
- **Lunch:** We will stop to eat lunch at Morgan Recreation Ground
- **Return:** We are expected to return to school at approximately **3:30pm**
- Ensure you child is in comfortable walking shoes or trainers

Please go onto **Parent Pay** to submit your permission for your child to attend this activity.

If your child requires a **school packed lunch** on this day, please ensure you select this option on parent pay.

We are very much looking forward to a fantastic afternoon of science exploration.

Warm regards,
Mrs Ballard and Mr Page
Year 6 Teachers
