NEWSLETTER

JOHN 10:10 LIVE LIFE IN ALL ITS FULLNESS

Dear Parents and Carers,
Newsletters are ready on links to YGs.

It's strange to think we are already planning the end of the year. Most dates are in the calendar now. For transition this year we will organise the end of year routines a little differently following advice on what could make things even easier. Firstly, please read this to understand class swapping philosophy here: </class-swapping-at-jpce/>

This year we will send out reports on Friday 26th June sharing to you the new classes and we will have held the handover morning that day of the 26th. This way it will reduce the wait your child has for worrying about who may teach them in school. This way they will already have had a successful first morning with their teacher.

Please make appointments with phase leaders up until the 21st June if you feel you have **urgent and direct** need for any combinations to happen but be aware with two classes there are only limited combinations.

Please trust that we will make choices **to our best professional judgement**. We will **not** have any meetings with parents on the 26th evening. Email us if you have a concern after knowing classes and we will work with you but not all solutions are always possible. We will then have open evening the next Wednesday 1st July. We hope this will help rebalance some of the classes.

We know there is nothing more important than your friends, family or community. Let us know if you need support- we may not have the answer but we will try to get you links to someone who can help. That part of is our Rainbow Promise.

See you on the gate Liz Savage, Headteacher

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

Spring garden

Green fingers, creative flair and more than a little glitter saw this year's Easter Garden Competition bloom into a spectacular success. After much admiration (and some very serious judging), we are delighted to announce three winners, each of whom created a garden that stopped people in their tracks and made spring feel officially well underway. The lucky trio have each been awarded £10.00 Amazon vouchers, proving that hard work, imagination and a well-placed miniature chick really do pay off.

Congratulations to all of our winners—and sincere thanks to everyone who took part. The standard was outstanding, the gardens were joyful, and the judging was no easy task. Roll on next year... and start saving those yoghurt pots now!

Opal Update

Exciting News!

Over the Easter break, two quiet cabins were built ready to add a 'Book Nook' and 'Crafty Cabin' to our playground experience. We had many children suggesting quiet places for reading and drawing through our OPAL assemblies and chats and so have listened! We now need your help to furnish and resource these through another generous OPAL donation day.

We would love donations of

- Beanbags -Outside rugs -Cushions- Blankets
- Pencils and pens -Colouring and activity books
- Craft resources (lolly sticks, stickers, coloured papers etc..)

We will be painting the quiet spaces and making sure they are fully ready before we share them with the children. We look forward to the grand opening very soon!

We would love them to look a little like this when they are ready!

Other donations

We would also welcome donations of

- Dollies-Cars-Sand toys-Building blocks-Dinosaurs
- Action figures-Guttering-Unwanted decking boards

Please bring your donations to school on Thursday 7th May to be collected by the OPAL team.

Thank you!

Reading Autism Support Network

<https://research.reading.ac.uk/autism/autistic-thriving-in-school-and-beyond-6th-may-2026>

Who is this event for?

This event is free to attend and open to everyone – autistic children and young people, their parents and carers, teachers and school staff, healthcare professionals, and researchers. No prior knowledge is needed; all are welcome.

As part of the University's centenary celebrations, we are hosting a free public hybrid (in person and online) event on the evening of the 6th May on the theme of Autistic Thriving at School and Beyond. Please join us for an event that aims to bring together autistic children and young people, their families, students, professionals and researchers to explore what supports autistic children to flourish in education and everyday life.

Autism-friendly event

For those attending in person, there will be a separate low-stimulus quiet room and a live-feed room. We will also supply badges to indicate communication preferences. Upon booking, attendees will receive:

- A visual guide to the campus and lecture theatre for those attending in person
- Information on how to find us including parking arrangements

PLEASE NOTE WE ARE A DAIRY FREE SETTING

Children welcome under parent supervision

Is your child entitled to free school meals?

Children who attend a Bracknell Forest school and whose parents or carers receive certain benefits, may be eligible to claim free school meals.

Free school meals are a good way to ensure that your child eats well at lunchtime, and you can save yourself time and money.

Plus, if you are eligible to claim free school meals your application will trigger extra government funding for your child's school. This funding is called Pupil Premium, and it will be invested in your child's school to improve educational outcomes.

Don't miss out - apply today!
