

Year Group - 1	Term - Summer 1	Educating for Wisdom, Knowledge and Skills	To help grow resourceful, resilient and reflective children who are equipped with the skills, knowledge and tenacity empower themselves, their learning throughout their lives.
Name of Unit Overview – <h1>Pirates</h1> 		Educating for Hope and Aspiration	To inspire and enrich lives beyond current opportunities and experiences in order to open minds to the potential their future holds
		Educating for Community and Living Well Together	To be a multi-cultural, inclusive community of individuals loved by God who feel valued and involved where we create qualities of character to enable people to flourish.
		Educating for Dignity and Respect	That children might know how much that they are loved and valued by so that they might show dignity and respect for themselves and others by carefully and safely thinking through their actions.
		Context, Big Questions and Wider World impact <ul style="list-style-type: none"> - What are human and physical features? - What information do maps show? - What different ways can maps be used? - What vocabulary can we use to give directions? - What do different objects show on a map? How can we use a key? - Can you always believe what you see or hear in films and stories? - Were all pirates' men? - What was life like as a pirate? 	
Subject specific learning areas			
Science		Suggested journey of the unit	
Prior learning and where the objectives are revisited later in the year.	Key year group learning Can we.....? Do we know.....?		
Previous years (EYFS) <i>- Explore the natural world around them, making observations: Caterpillar/Butterflies in Summer 2 and Mini Beast topic/trip to Wellington with a minibeast workshop.</i> <i>- Offer explanations for why things might happen, making use of recently introduced vocabulary from stories, non-fiction, rhymes and poems when appropriate.</i> <i>- Make comments about what they have heard and ask questions to clarify their understanding:</i> Revisit within this year <ul style="list-style-type: none"> - Ask simple questions and recognise that they can be answered in different ways. - Observe closely. - Perform simple tests. 	Can we...? <ul style="list-style-type: none"> - Ask simple questions and recognise that they can be answered in different ways. - Observe closely, using simple equipment. - Perform simple tests. - Identify and classify. - Use observations and ideas to suggest answers to questions. - Gather and record data to help in answering questions. Do we know...? <ul style="list-style-type: none"> - How to describe the simple physical properties of a variety of everyday materials. - How to distinguish between an object and the material from which it is made. - How to identify and name a variety of everyday materials, including wood, plastic, glass, metal, water, and rock. - How describe the simple physical properties of a variety of everyday materials. 		Week 1 Topic: Exploring physical and human features Science: Exploring properties of materials - Strong and Weak Art: To apply knowledge of colour mixing when painting. To talk About the work of a range of artists, craft makers and designers, Week 2 Topic: Exploring map symbols and keys Science: Exploring properties of materials - Waterproof and Absorbent

Humanities – History & Geography		
<p>Prior learning and where the objectives are revisited later in the year.</p>	<p>Key year group learning Can we.....? Do we know.....?</p>	<p>Art: To explore colour when printing.</p>
<p>Previous years <u>Geography</u> - Explore the natural world around them, making observations: - Describe their immediate environment using knowledge from observation, discussion, stories, non-fiction texts, and maps: - Use and understand recently introduced vocabulary during discussions: Revisit within this year <u>Geography</u> - To describe different human and physical features and how different types of weather might change them. - To understand that maps can be used to give directions, locate places. - To understand why maps are important to us. <u>History</u> - To understand that the past means something that has already happened.</p>	<p>Can we...?</p> <ul style="list-style-type: none"> - Use basic geographical vocabulary to refer to human and physical features of landscapes - Identify human and physical features - Use aerial photographs and plan perspectives to recognise landmarks and basic human and physical features - Use simple compass directions as well as locational and directional language to describe the location of features and routes on a map - Create a simple map using a key. - Describe what life as a Pirate in the past was - Think critically to decide what is fact and what is fiction when researching pirates. <p>Do we know...?</p> <ul style="list-style-type: none"> - What a map is used for and what it shows - What information a key needs to include and where it is located on a map - Physical features of islands including: beach, cliff, coast, forest, hill, mountain, sea, ocean, river, soil, valley, - How human features are different to physical features - What the four points on a compass are called (North, South, East, West) and how these can be used to give simple instructions 	<p>Pirate Day 1 - Thursday</p> <p>Week 3 Topic: Exploring directional language and how to give and follow simple directions.</p> <p>Science: To understand the properties of glass and its uses.</p> <p>Art: To experiment with paint mixing to make a range of secondary colours.</p> <p>Week 4 Topic: Creating our own treasure maps.</p> <p>Science: To explore a variety of different fabrics and understand their properties.</p> <p>Art: To roll paper to make 3D structures</p> <p>Week 5 Topic: Exploring Pirate Myths</p>
Art and Design & Design Technology		
<p>Prior learning and where the objectives are revisited later in the year.</p>	<p>Key year group learning</p>	<p>Science: Explain the uses of materials and why they are suitable for certain tasks/uses.</p>
<p>Previous years -Explore a variety of materials, tools and techniques, experimenting with colour, design, texture, form, and function. -Share their creations, explaining the process they have used: In Reception children created a wide range of art in free flow and focused activities. For example, children created art work linked to their mini beast topic and -Use a range of small tools, including scissors, paint brushes and cutlery: - Safely use and explore a variety of materials: Throughout Reception children helped to</p>	<p>Can we....?</p> <ul style="list-style-type: none"> - Use drawing and sketching to share our ideas. - Mix colours to create different shades of paint. - Mix colours to make secondary colours - Develop our initial ideas by improving our own designs in the draft stages - Evaluate our art by sharing our final piece of art work and discussing what went well and what we do next time to make it even better. - Discuss what we like and dislike about different pieces of art. <p>Do we know?</p> <ul style="list-style-type: none"> - How to hold a pencil and paintbrush in the correct way - How to use different materials and resources to create texture and patterns within our art. 	<p>Art: To shape paper to make a 3D drawing.</p> <p>Week 6 Pirate Day 2 including external workshop - on Wednesday!</p>

<p>prepare a variety of different food linked to different topics being explored such as International Week.</p> <p>Revisit within this year</p> <p>-Use a range of tools to create our Colour Monster collages and our houses for the Three Little Pigs.</p> <p>-Exploring a variety of materials, tools and techniques to create our Harvest artwork and Colour Monster Collages.</p>	<ul style="list-style-type: none"> - How to mix secondary colours - the primary colours - the difference between a sculpture and a piece of art - how to create pattern - how to manipulate paper and card to make a structure 	
Computing and Technological Understanding		
<p>Prior learning and where the objectives are revisited later in the year.</p>	<p>Key year group learning</p>	
<p>Previous years (EYFS)</p> <p>Within Freeflow activities in Reception children were able to access different technology and had the opportunity to explore and play with this.</p> <p>Revisit within this year</p> <p>In Once Upon a Time we explored how to use technology purposefully and used the Beebots to explore algorithms.</p> <p>In Wonderful Weather we used the Ipad's to create weather forecasts.</p>	<p>Can we...?</p> <ul style="list-style-type: none"> - Use the search engine to research Pirates. - Explain how to stay safe when using the internet. - Create and debug simple programs using the Kubo's - Describe what algorithms are how they are implemented as programs on digital devices and that programs execute by following precise and unambiguous instructions <p>Write our own set of instructions to make a jam sandwich successfully</p> <p>Do we know...?</p> <ul style="list-style-type: none"> - What a web browser is and how to use this to research. - Rules for staying safe online. - How to use a web browser to navigate a website when conducting Internet research. - What an algorithm is - That programs work by following precise and unambiguous instructions 	
<p>Vocabulary</p> <p>Oracy activities</p>	<ul style="list-style-type: none"> ✓ Geography Vocabulary – Cliff, Beach, Coast, Ocean, Sea, Mountain, Forest, Hill. Map, key, north, south, east, west, left, right, forwards, backwards ✓ History Vocabulary – Past, present, change, similarity, differences, evidence ✓ Art/ D.T Vocabulary – Materials, Colour mixing, shades, texture, ✓ Computing – algorithm, technology, video, photograph, web browser, E-safety ✓ Partner work and Talk Partner Time to share ideas. 	<p>Immersion Activity- What do they need to know? How are you going to motivate and inspire learning within the topic?</p> <ul style="list-style-type: none"> - Pirate day! - Pirate treasure hunt - Creating our own treasure maps <p>Trips/ Visits / Experiences</p> <ul style="list-style-type: none"> - Pirate Days! - Thursday 23rd April and Wednesday 22nd May

	<ul style="list-style-type: none"> ✓ Key and new vocabulary discussed at the beginning of lessons. ✓ Use of visuals to support understanding of new vocabulary and concepts. ✓ Time to experiment with new tools and resources such as the Ipad's and art tools to experiment and investigate how to use these with support from an adult in the classroom

Discrete subject learning focus areas

Music	We will be continuing to use our Sing Up Scheme focusing on the units: 'Dancing and Drawing to Nautilus' and 'Cat and Mouse'	RE	Judaism – exploring the religious celebration of Shabbat and deepening our understanding of Judaism.
PE	Fundamental movement skills: Coordination (Sending and Receiving) and Agility (Reaction and Response).	PSHE	Exploring what citizenship means to us and ourselves and the wider world.

International Studies:

Prior learning: <ul style="list-style-type: none"> ✓ International Week Revisit within this year <ul style="list-style-type: none"> ✓ Map work Exploring different cultures	<p style="text-align: center;"><u>International Targets</u></p> <ul style="list-style-type: none"> • Understanding different cultures, values and customs • Building tolerance and respect for other cultures • Identify activities and habits which are different from but equal to their own • Significance of relevant celebrations / rituals • Recognising individuality and independence of separate cultures/countries 	Learning to come from those activities	<ul style="list-style-type: none"> - Comparing similarities and differences between the UK and other countries - compare different ships from around the world
-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	-----------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Prior learning: <ul style="list-style-type: none"> ✓ Food Miles and Biodiversity Revisit within this year <ul style="list-style-type: none"> ✓ Map work Activism and Role Models	<p>CASE: Local and Global Impact</p> <ul style="list-style-type: none"> • Compare clean vs polluted environments • Explore the rainforest (link to climate) • Greenhouse blanket game • Melting ice animal rescue <p>Key concepts Pollution Global warming Deforestation Ozone layer</p>		-
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	--	---

Final quality products	<ul style="list-style-type: none"> - Pirate Treasure Map - Pirate Riddles - Pirate portraits 	Home learning opportunities	<ul style="list-style-type: none"> - Suggested activities to support Pirates topic sent home via Seesaw - Phonics videos and worksheets sent home
Enriching our curriculum and personal development opportunities			
Prior opportunities	Experience		Learning to come from those activities
<ul style="list-style-type: none"> -Safer Internet Day -World Book Day -Pause Day -Comic Relief 	<ul style="list-style-type: none"> - Pirate Days - Art Week - Pause Day 		From these activities, children will further develop their oracy skills, independence, collaboration, perseverance and optimism. This will support them to further develop their self-esteem and confidence.
