Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the

earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

 *Forgiveness*

 *Love*

These are our Values we try to live each day

Birthday Celebrations at Jennett's Park

 Our Nutrition Policy and Approach

<https://www.jennetts.bonitas.org.uk/wp-content/uploads/2026/04/JPCE-Nutrition-Policy-for-Jan-2026.pdf>

We love celebrating every child's birthday in a way that is:

Healthy Inclusive Thoughtful for all families

Sharing sweets, cakes or chocolates is not encouraged, as this can lead to children having these treats multiple times a week.

How We Celebrate

 Special recognition in class  Wear your own clothes on your birthday (or a chosen day if it falls on a weekend/holiday)

Bringing Something In? (Optional)

 No expectation to bring anything

 No sweets, chocolate or cake

If you wish to share something, please choose non-edible items, such as:

 Pencils  Stickers  Small stationery items

Why This Matters

 Supports healthy eating habits

 Keeps children with allergies safe

 Reduces pressure on families

 Creates a fair and inclusive approach

Pupil Voice

Our School Council supports:  Wearing own clothes as the main celebration  Moving away from sweets to healthier, non-food options

 Thank You

We appreciate your support in helping us create a healthy, inclusive and joyful way to celebrate every child.

20p Fair

The 20p Fair For those of you who haven't experienced this before, Year 6 put together their own mini summer fair for us all. We enjoy penalty shootouts, lucky dips, name the teddy, sweets in a jar and much more! All children will have the opportunity to visit the fair with their class during the school day.

Each stall costs 20p a go. If you would like to help the Year 6 children raise funds for the school, please do send your child in with some money on Friday 22nd May!

We swap the coins for tokens so if you want to purchase some via ourcard machine please come to the office

Is your child entitled to free school meals?

Children who attend a Bracknell Forest school and whose parents or carers receive certain benefits, may be eligible to claim free school meals.

Free school meals are a good way to ensure that your child eats well at lunchtime, and you can save yourself time and money.

Plus, if you are eligible to claim free school meals your application will trigger extra government funding for your child's school. This funding is called Pupil Premium, and it will be invested in your child's school to improve educational outcomes.

Don't miss out - apply today!

www.bracknell-forest.gov.uk/schools-and-learning/schools/free-school-meals

Class swapping

For transition this year we will organise the end of year routines a little differently following advice on what could make things even easier. Firstly, please read this to understand class swapping philosophy here:

This year we will send out reports on Friday 26th June sharing to you the new classes and we will have held the handover morning that day of the 26th. This way it will reduce the wait your child has for worrying about who may teach them in school. This way they will already have had a successful first morning with their teacher.

Please make appointments with phase leaders up until the 21st June if you feel you have **urgent and direct** need for any combinations to happen, but be aware with two classes there are only limited combinations.

Please trust that we will make choices **to our best professional judgement**. We will **not** have any meetings with parents on the 26th evening. Email us if you have a concern after knowing classes and we will work with you but not all solutions are always possible. We will then have open evening the next Wednesday 1st July. We hope this will help rebalance some of the classes.
