JOHN 10:10 LIVE LIFE IN ALL ITS FULLNESS

Dear Parents and Carers,
Enjoy your bank holiday.

Remember Wednesday 6th 3:30 - 4:45 next week is our yearly picnic. Gates open at 3:05 to come stake a spot. There will be small pocket money items and sweets to buy/ win in small games. We will have the card machine ready for exchange of tokens or cash.

Thursday 7th May is our OPAL donation day. If anyone is feeling generous and wishes to buy us more screening/ shade or any of items on our wishlist we would be very appreciative.

https://www.amazon.co.uk/hz/wishlist/ls/1BQDINA5F9AIG?ref_=wl_share

We know there is nothing more important than your friends, family or community. Let us know if you need support- we may not have the answer but we will try to get you links to someone who can help. That part of is our Rainbow Promise.

See you on the gate **Liz Savage, Headteacher**

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the

earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

Opal Update

Our playground project is moving forward, especially now we can enjoy some beautiful weather at playtimes. Recently, children have been painting, building car ramps, creating flower “soups” and grass “potions”, as well as enjoying tyre obstacles and field sports.

As the project continues, we will be adding dressing-up clothes, more creative activities and further developing our quiet spaces. We also have plans for a sandpit, a digging zone and an exciting PTA donation – more news on that soon!

With sunnier weather comes a few uniform reminders. Please ensure your child brings a sunhat and has sun cream applied before school on warm days. Children may bring their own sun cream to reapply at lunchtime if they can do so independently. Thank you for supporting us in keeping children safe and comfortable outdoors.

We are hugely grateful for donations to support our OPAL project. On donation days, we welcome second-hand items from home, garden or shed that children could use in their play, such as:

- Lego, Duplo or building blocks
- Dressing-up clothes
- Fabrics for den building (duvet covers, sheets, blankets, rugs)
- Craft materials and paintbrushes
- Gardening tools, watering cans or pool noodles

If you would prefer to donate online, our OPAL Amazon Wishlist remains open, with many items under £5.

KS1 Multi-Sports Event

What an amazing day our children had representing Jennett's Park School at the KS1 Multi-Sports Event!

Despite the very hot and sweaty conditions, every single child showed fantastic determination, enthusiasm, and teamwork throughout the day. They gave it their all and fully embraced every activity that the outside companies and Edgeborrow students had set up for them.

From golf and tennis to relay races, cricket, and even some traditional egg and spoon races, there was something for everyone—and it was wonderful to see so many smiles, cheers, and moments of success.

A massive well done to all of our students—you made us incredibly proud with your effort, attitude, and sportsmanship.

We would also like to say a huge thank you to all the adults who came along to support. We truly appreciate you stepping in to help Miss Kaye and the children—it made such a difference to the day.

A brilliant event and a fantastic team effort all around!

Smart Watches

Re. Smart enabled devices.

Dear Parents and Carers,

We are writing to inform you that an increasing number of children have recently begun wearing smart watches while on the school site.

In line with current government guidance and our school's Mobile Technology Policy, smart watches are not permitted to be worn in school. This is because many smart watches have the capability to send messages, make calls, access the internet, or take photographs and recordings, which presents safeguarding and data protection concerns during the school day.

From this point forward, if a child is seen wearing a smart watch on site, it will be collected by a member of staff and securely held. If children are in Y5/ 6 they may hand their phone to the teacher for safe looking after. The device will then need to be collected by a parent or carer from the school office at the end of the day.

We kindly ask for your support in ensuring that your child does not bring a smart watch to school or if in Y5//6 and using to walk home. This will help us maintain a safe, focused learning environment for all pupils.

The school's Mobile Technology Policy (2026) can be accessed via the following link:

Thank you for your understanding and continued support.

Yours sincerely,

Liz Savage

Class swapping

For transition this year we will organise the end of year routines a little differently following advice on what could make things even easier. Firstly, please read this to understand class swapping philosophy here:

This year we will send out reports on Friday 26th June sharing to you the new classes and we will have held the handover morning that day of the 26th. This way it will reduce the wait your child has for worrying about who may teach them in school. This way they will already have had a successful first morning with their teacher.

Please make appointments with phase leaders up until the 21st June if you feel you have **urgent and direct** need for any combinations to happen, but be aware with two classes there are only limited combinations.

Please trust that we will make choices **to our best professional judgement**. We will **not** have any meetings with parents on the 26th evening. Email us if you have a concern after knowing classes and we will work with you but not all solutions are always possible. We will then have open evening the next Wednesday 1st July. We hope this will help rebalance some of the classes.

PLEASE NOTE WE ARE A DAIRY FREE SETTING

Children welcome under parent supervision

Is your child entitled to free school meals?

Children who attend a Bracknell Forest school and whose parents or carers receive certain benefits, may be eligible to claim free school meals.

Free school meals are a good way to ensure that your child eats well at lunchtime, and you can save yourself time and money.

Plus, if you are eligible to claim free school meals your application will trigger extra government funding for your child's school. This funding is called Pupil Premium, and it will be invested in your child's school to improve educational outcomes.

Don't miss out - apply today!
