Headteachers letter re OFSTED Inspection

May 2026

Dear Parents, Carers, Staff and Friends of Jennett's Park,

I am delighted to share the outcome of our recent inspection, which recognises the strength and character of our school today. Inspectors saw what we see every day: pupils who *love coming to school*, a calm and orderly environment where children feel safe, and a culture built on care, ambition and inclusion. They recognised exceptional behaviour, strong relationships, and a team deeply committed to every child.

This recognition reflects far more than the time inspectors spent with us. It captures the sustained effort of our entire community — the early mornings, the careful planning, the unwavering pastoral care, and the countless small acts of kindness that make this school such a special place. Quite simply, this outcome belongs to all of us.

Our vision — to enable children to *live life in all its fullness* — continues to guide everything we do. We know that life is not always straightforward, but it is through challenge that children grow in strength, resilience and character. Our pupils demonstrate this every day through their positivity, pride in their school, and eagerness to succeed.

The inspection also reflected the areas we are already working to strengthen, including writing, assessment across the wider curriculum, and our strategy for disadvantaged pupils. We are pleased that these priorities align fully with our own plans, giving us clarity and confidence as we continue to move forward.

Our upcoming partnership with ODSST comes at exactly the right time. It will support us to build on our strengths while sharpening our focus on the areas that matter most — high-quality teaching, strong outcomes, and an ambitious curriculum for every child.

If our inspection had a soundtrack, it might at times have felt like a full-scale stadium tour — moments of intensity, determination and teamwork, balanced with quieter moments of calm confidence. Through it all, the staff have been remarkable. I would like to express my heartfelt thanks to them for their professionalism, resilience and unwavering dedication to our children.

Most of all, I want to celebrate our pupils. Their enthusiasm, kindness and love of learning make Jennett's Park the vibrant, inclusive school that inspectors recognised so clearly. We look forward to celebrating this success together — because moments like this matter.

Thank you, as always, for your continued support and trust. It is a privilege to serve this community.

With pride and gratitude,

Liz Savage
