Dear Parents/Carers,

'Berkshire Reptile Encounters' Visit

We are excited to inform you that on Wednesday 1st July, we are hoping that children in the Nursery will be visited by 'Berkshire Reptile Encounters' which is a company that provides interactive educational animal encounters for children.

The animal experience we are hoping to book is designed to give your children the opportunity to view and handle a variety of reptiles. 'Berkshire Reptile Encounters' will bring a selection of small reptiles to the Nursery setting for children to experience and encounter. The specific animals assigned to our visit are subject to availability and not confirmed until the day.

Children will visit 'Berkshire Reptile Encounters' during their normal Nursery session, and will not leave the school site. The visit is run by trained staff from 'Berkshire Reptile Encounters' and children will also be closely supervised by Nursery staff at all times.

Please speak to Nursery staff if your child has any known allergies to animals or if you have any concerns.

Payment

In order to help cover the cost of the visit, we are asking for a voluntary contribution of £5.07 per child. All contributions are very much appreciated and allow us to continue to offer your children a range of interesting opportunities and experiences at school. Payments should be made via the school's ParentPay system as soon as possible. You will need to be registered in order to make a payment. If you have not yet registered on ParentPay, please speak to the school office asap.

Please note, that as with any trip or visit, if we do not receive enough voluntary contributions the visit may not be able to go ahead. On this occasion we will need to confirm on Friday 12th June if we have received enough donations to secure the booking. If we have not, unfortunately on this occasion, the visit will not be able to go ahead.

We do hope we are able to proceed with this visit as we know your children will enjoy the experience and have lots to tell you at the end of the day. We thank you in advance for your ongoing support.

L.Beardsley
