Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the

earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

 *Forgiveness*

SPORTS DAY -

(Attempt 1 **Thursday 25th June**) will begin with our Reception children, followed by Years 1 through 6. Reception parents are welcome to arrive at drop-off from 8:45am, while parents of children in Years 1–6 are invited to join us from 10:30am. The morning will conclude with a whole-school picnic, with all year groups enjoying lunch together from 12:00–1:00pm.

As always, we'll also be holding a much-anticipated parents' races and tug of war—so dust off your running shoes and start stretching now! We can't guarantee Olympic standards, but we can promise plenty of laughter and a great community spirit.

In true British tradition, we keep a close eye on the weather; if it decides not to cooperate, we may need to postpone to the following week. A final decision will be made and shared by 8:30am on the day—so keep everything crossed for sunshine!

KS2 COMPETITIVE RACES-

On Wednesday 8th July , we will be holding our KS2 Competitive Races for Years 3–6. Parents are warmly invited to attend, with arrival from 2:00pm. We look forward to seeing you there to support and cheer on the children.

Sports day lunch menu

Thursday 25th June

On sports day the following items will be available to order from the kitchen for lunch.

- Cheese salad wrap
- Ham salad wrap
- Tuna Mayo wrap
- Egg Mayo wrap

Children can order in class in the morning or parents can pre-order on parent pay.

Governor Questionnaire

We encourage all families to take a few minutes to complete the questionnaire. Your feedback is anonymous and will make a real difference in shaping the future of Jennett's Park CE Primary.

Deadline: 26th June

Access the survey here:

Children's commissioner survey

We would be grateful if you could complete the survey at the below link. At a time of significant change for children and young people, it is more important than ever that their views are reflected in policymaking. Through this survey, the voices of students are taken directly to the centre of government.

OPAL UPDATE JUNE

We are so pleased to see how much the children are enjoying our outdoor play spaces as part of OPAL. It has been wonderful to watch their creativity, collaboration and enthusiasm grow, particularly in the digging and water play areas.

To continue developing these opportunities, we would be very grateful for any gardening items you may no longer need at home. In particular, we are looking for:

- **Spades and shovels for our digging zone**
- **A water tray**
- **Watering cans for outdoor play**

If you have any of these items that you would be willing to donate, please bring them to the school office. Thank you so much for your continued support in helping us create a rich, engaging outdoor environment for all children

PARTY CELEBRATIONS 26TH PM

- We are pleased to let you know that the school will be holding a mini in-school celebration for our end of year / OFSTED results on the afternoon of 26th June . We would like to extend our sincere thanks to the PTA for their generous donations of cake and juice for each class. If you are able to contribute any additional food items, these would be very welcome. Please ensure that all items are clearly labelled.

Class swapping

For transition this year we will organise the end of year routines a little differently following advice on what could make things even easier. Firstly, please read this to understand class swapping philosophy here:

This year we will send out reports on Friday 26th June sharing to you the new classes and we will have held the handover morning that day of the 26th. This way it will reduce the wait your child has for worrying about who may teach them in school. This way they will already have had a successful first morning with their teacher.

Please make appointments with phase leaders up until the 21st June if you feel you have **urgent and direct** need for any combinations to happen, but be aware with two classes there are only limited combinations.

Please trust that we will make choices **to our best professional judgement**. We will **not** have any meetings with parents on the 26th evening. Email us if you have a concern after knowing classes and we will work with you but not all solutions are always possible. We will then have open evening the next Wednesday 1st July. We hope this will help rebalance some of the classes.

Summer fun

Bracknell Forest Council is working closely with local organisations to help support a wide range of children's summer holiday clubs for younger children.

The holiday clubs provide:

- sports
- swimming
- theatre
- dance
- arts and crafts

and so many more fun activities!

*Most clubs provide a healthy meal and snacks.
Check the clubs booking page for more information.*

The holiday activities and food programme is a Department for Education funded programme to support children aged 4-16 years (Reception - Year 11) in receipt of benefits related free school meals.

Is your child entitled to free school meals?

Children who attend a Bracknell Forest school and whose parents or carers receive certain benefits, may be eligible to claim free school meals.

Free school meals are a good way to ensure that your child eats well at lunchtime, and you can save yourself time and money.

Plus, if you are eligible to claim free school meals your application will trigger extra government funding for your child's school. This funding is called Pupil Premium, and it will be invested in your child's school to improve educational outcomes.

Don't miss out - apply today!
