

Year 6

SUMMER 2

Sunbirds and Sabrewings News

Welcome Back!

Can you believe we have reached our final half term of Year 6? Time truly does fly when you are learning, growing and sharing so many memorable experiences together. As we begin this last chapter of primary school, we want to take a moment to celebrate just how much your children have developed—both as learners and as individuals.

This term is an important period of transition as we continue to prepare the children for life at secondary school. Alongside their academic learning, there will be a strong focus on building resilience, embracing change and developing the independence needed to thrive in a new environment. We are already seeing the confident, capable young people they have become—organised, motivated and increasingly responsible. They are maturing into thoughtful young adults, who are ready to take the next step in their educational journey.

Our enrichment activities will play a key role in supporting this transition, offering opportunities for teamwork, leadership and personal growth. The term promises to be busy and exciting, with highlights including Sports Day, our summer production and a range of other memorable events to celebrate their final weeks in primary school.

The Year 6 team are very much looking forward to making this a special and meaningful final term. We hope it will be filled with continued learning, laughter, friendship and sunshine as we prepare to say goodbye and wish the children every success in the future.

As always, please remember that our door is always open.

Warm summer wishes—Mr Page, Mrs Ballard, Mrs Butcher and Mr Frost.

Owl Learning Values

- | | |
|-----------------------|--------------|
| Challenge | Optimism |
| Collaboration | Pride |
| Independence | Perseverance |
| Managing Distractions | |

Year 6

SUMMER 2

	Numeracy	Literacy
Week 1	Maths investigations and puzzles	Letters of complaint about a terrible restaurant experience
Week 2	Maths investigations and puzzles	Incident reports about Ghost chapter 1
Week 3	Maths project—tran towers	To link with our reading of our class text Ghost—we will write persuasive adverts about trainers.
Week 4	Maths project	We will write character profiles to create a programme for the summer production
Week 5	Maths project	We will write character profiles to create a programme for the summer production
Week 6	Maths project	We will write leavers' speeches to share in our leavers' assembly
Week 7	Maths project	We will write leavers' speeches to share in our leavers' assembly

Curriculum

Our afternoons will be filled with singing, dancing and performing as we prepare for our Summer Production, 'Robin and the Sherwood Hoodies!'. In P.E., we will be focusing on the game of Kwik Cricket and athletics as we prepare for Sports day. In music, we will continue to learn how to play the steel pans. In geography, we will improve our location knowledge and consider the best location for the next major sporting event. In DT, we will plan and make marble runs. In computing, we will code micro:bits to act as pedometers and data loggers. In science, we will make electrical circuits. Finally, we will use RE to spiritually reflect on our journey so far and the next steps we will be taking.

SUMMER 2

5 Top Tips to Support Your Child This Half-Term

- 1. Keep your child in good habits with their home-learning as they prepare for secondary school.**
- 2. Talk about emotions as we enter this period of transition and change.**
- 3. Keep your child writing; SATs may be over but writing assessment continues.**
- 4. Encourage your child to continue to follow the Rainbow Promise outside of school and on social media.**
- 5. Enjoy the last half term of your child's journey at primary school.**
