Rainbow and Owl

Outstanding Owl and Rainbow Promise Learners

Each week children are chosen for showing Owl learning behaviours or following our Rainbow Promise.

Our Rainbow Promise underpins everything we do at school. Just as the Rainbow was a sign of God's promise to Noah that from that moment God would enable Noah and the people of the

earth to flourish and experience life in all its fullness. So as a school community we promise to do our best to enable all the pupils and adults of our school to flourish academically and professionally so that they might reach their potential.

The Rainbow is also a symbol of the diversity of our school community, but as a church school we recognise that we are all created and valued by God, and so as a school community we commit to care for and value each other.

The dove symbolises our need to persevere in some aspects of life as it is not always the first time we find success. It was not the first time that Noah had tried to find dry land and so we much seek strength within ourselves and from God to achieve.

<https://www.jennetts.bonitas.org.uk/y3-4-football-winners/>

On Monday 21st September we were lucky enough to take a mixed team of Year 3 and Year 4 boys and girls to the Bracknell football tournament.

From the moment we arrived the team were amazing. They were supportive, hardworking and played some lovely football. The first game finished 0-0 after some fantastic saves from both keepers and from that point the team never looked back. They won their next four games topping the group and getting to the semi-finals.

They showed excellent team work to come through that game as 2-1 winners. In the final the positivity around the team was brilliant and they won the tournament after a wonderful golden goal! We could not be prouder of our team and their team spirit was commented on by multiple people. They truly embodied the Jennett's Park values. A massive well done to Hunter, Jack T, Gabriel, Aria O, Chloe O, Esmae, Bella, Marlee, Viv, George, Tiann and Tommy. Tournament winners!

We are delighted to announce that our school has achieved the Gold School Games Mark Award for 2025/26 in recognition of our commitment to sport and physical activity. This prestigious award celebrates the fantastic participation, enthusiasm and sporting opportunities enjoyed by our pupils throughout the year.

We are incredibly proud of our children for embracing sport with such energy, determination and teamwork. A special thank you goes to our dedicated staff, whose passion, encouragement and hard work have helped provide a wide range of sporting experiences and opportunities for all pupils. We also thank our families and wider community for supporting an active and healthy school culture.

Well done to everyone involved in this fantastic achievement!

SEND Parent Meetings and Key Dates This Term

We know how important it is for families whose children have additional needs to have opportunities to discuss their child's progress and support needs. We are currently updating our systems and processes for SEND parent meetings to ensure they are as effective and accessible as possible. As a result, we will be launching these meetings after the half-term break.

To help everyone plan ahead, our schedule for this term is:

1. Meet the Teacher
2. Learning Plans Shared with Families
3. Open Evening
4. Parents' Evening (after half term)

Following half term, we will re-introduce dedicated SEND parent meetings for families of children on the SEND register. These meetings will provide additional time to discuss progress, support strategies and next steps. Children with Education, Health and Care Plans (EHCPs) will continue to receive their Annual Review meetings as usual.

With over 75 children currently on our SEND register, we want to ensure that all families have equitable access to staff time and support. Our aim is to provide a fair and consistent approach so that every child receives the attention they need.

In the meantime, our focus remains on ensuring that Learning Plans are high quality, personalised and actively used to support children in the classroom every day. You should expect a copy within a fortnight.

Thank you for your ongoing partnership and support.
Inclusion Team

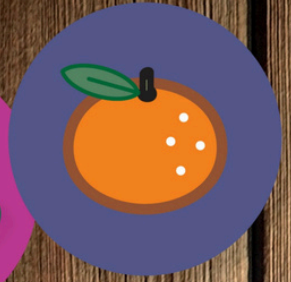

Why Census Day is So Important

School Census Day is one of the most important days in the school year because the information collected helps determine a significant amount of funding that schools receive. The number of children having a school meal on Census Day directly impacts the funding available to support resources, staffing, learning opportunities and wider provision for pupils.

The best way parents can support the school is by encouraging their child to have a school meal on Census Day, even if they do not usually do so. Every meal taken can make a real difference to the funding the school receives, helping us continue to provide the very best opportunities for all children.

One meal on one day can make a lasting difference for our school community. Thank you for your support. 🍴🏠
