Dear Parents, Carers, Children and Staff,

I hope you have all had a fantastic summer and enjoyed some well-deserved time together. As we begin a new school year, I would like to extend a warm welcome to our new families and welcome back all of our returning families.

I am delighted to introduce myself as your new Chair of Governors. It is a privilege to take on this role and to be part of such an important school community.

I would also like to take this opportunity to recognise and thank Stuart Marlow, our previous Chair of Governors, for the fantastic job he has done in leading the Governing Body. Stuart has made a significant contribution to the school during his time as Chair, and I certainly have big shoes to fill! I am very pleased that Stuart will be continuing to support the Governing Body as Vice Chair, and I look forward to working closely with him as we continue to support the school and its community.

Our school is a place where children are encouraged to learn, grow and flourish, supported by dedicated staff and a caring community. As governors, we have an important role in supporting the school and its leadership team, ensuring that the school continues to provide the very best opportunities for every child.

I would like to thank our wonderful staff for all they do. Their commitment, care and hard work make such a difference to the children every day. I know that the start of a new school year brings plenty of excitement, energy and hard work, and I am looking forward to working alongside everyone as we begin another successful year.

To our children, I hope you are excited about the year ahead. There will be new things to learn, new experiences to enjoy, challenges and obstacles to overcome and plenty of opportunities to have fun and make memories with your friends. Living life in all its fullness and remembering to be kind, curious and to take pride in all that you do.

To all our parents and carers, thank you for the important part you play in our school community. A strong relationship between home and school makes such a positive difference to our children, and I look forward to meeting more of you over the coming months.

As Chair of Governors, I am committed to listening, supporting and working collaboratively with our whole school community. I look forward to getting to know the children, staff and families better and to playing my part in helping our school continue to thrive.

Wishing everyone a happy and successful new school year.

Tessa Parker-Mann
