Greenjays and Parakeets News

Welcome to Year 3 it has been wonderful to get to know your children so far.

We have had a fantastic start to Year 3, we have found out lots about each other and shared our aims for this year.

Our topic this term is 'The Stone Age' and we will be learning about how Stone Age people lived, worked and travelled. We will also be having a special visit from a real life Cave Man!

We can't wait to work with you this year and support your children as they start their Key Stage 2 journey.
